“BUBBA” definition: whiny, sniveling little bitch..... i.e. Bubba the Love Sponge

December 13, 2012 // 2

To quote the great Artie Lange, “Waaaaaahhhhhh”

I know I've pointed out the hypocrisy of the BRN, rather well I might add, and I'm about to do it again...

I was alerted by someone that he was going to talk about a young lady in FL who unfortunately took her own life because of “cyber bullying”. I'm guessing that he again tried to compare “their situation” to those which cause people to commit suicide.

Now, unless you have been living under a rock, i'm sure you're well aware of the drama surrounding Bubba and the Sixers. In regards to this drama, it's pretty easy to see that Bubba doesn't like that the Sixers criticize him and his show in social media, mainly Twitter, and he has gone out of his way in trying to get these critics silenced.

So, unless you, A: have your ass planted so far up his ass you can't see the light of day.. or, B: only hear what you are told by Bubba, his lackeys or the Bubba Army.. you can clearly see the hypocrisy.

Of course, I have examples.. What a silly question that some of you reading this are asking yourselves.. I'll share 3 of them.

These 3 examples all share at least 3 things... 1, the almost identical things have been said about him. 2, in the same talk breaks he complains of the criticism he has gotten and 3, he says that since they are public figures, they need to be able to “take the criticism, it comes with the territory”

#1.. Honey Boo Boo

Bubba spoke about her nearly every day for about 2 weeks.. every day he disparaged her by making fun of her weight, looks, family and home situation.. The one statement that sticks out most in my mind is “she's a 10 year old, fat, white trash, now having money little bitch”. He also went on and on about how she is now a public figure and she needs to “get

used to it".

#2.. Wisconsin anchor woman

Remember back in late September, early October, when there was an anchor woman from Wisconsin who received an email from a viewer, basically calling her fat? Bubba, Brent and Tara went on and on about how she probably got the email earlier, but held it until "Anti Bully Month". They made fun of her weight and looks and of course went on and on about her being a public figure and she needs to deal with it.

#3.. MJ

We all know the MJ drama.. complain, complain, complain about being sued for making fun of and criticism from them towards MJ, but yet he whines like a little bitch about criticism levied towards him.

Again.. all 3 excellent examples of his hypocrisy.

On a special note.. our anonymous friend "Orwell" posted audio of Tucker talking about the people on the internet that criticize.. he also said in that audio, that when confronted, they cower..

I'm sure Bubba only told Tucker about our criticism of him. I wonder though.. What if Tucker knew the rest of the story? What Bubba has done to try to get these critics to stop... would be interesting wouldn't it.

Last, but not least... don't get it wrong.. our opinions do matter to Bubba. Hell, I'll even go so far too say they matter more than his fans opinions. He's made this quite clear, so don't stop giving them.

I can see this whole giving your opinion thing seems to really get under Bubba's skin but he is supposed to have thick skin but obviously doesn't, he better grow some soon & turn the nose up or he will even lose his sheep or ... fans.
