(No exhibits marked.)

1 that they were being created. He wouldn't have
2 consented to any of that. And the fact that
3 they got published -- a minute and 41 seconds
4 got published, which was the highlight reel, is
5 an absolute outrage, and we have been doing
6 everything we can to contain that situation.

7 What Gawker now wants is if there happens
8 to be more footage than they received -- they
9 received 30 minutes of footage. They took that
10 30 minutes and edited it and then posted it to
11 the Internet. It was there for six months, and
12 then pursuant to Your Honor's order it came
13 down.

14 If there happens to be more video than
15 they have, we would strongly urge Your Honor to
16 not allow that video to go anywhere. Frankly,
17 we want it to be destroyed, but it certainly
18 shouldn't be going into more hands. Mr. Berlin
19 doesn't have a right to see my client having
20 private relations with somebody in a private
21 place when he didn't consent to it.

22 THE COURT: Do you disagree with
23 Mr. Berlin's representation as to a ruling that
24 I made back last October? I don't really
25 recall that.

1 THE COURT: I guess so the credibility of
2 Mr. Bollea as far as his knowledge of the
3 Clems -- Mr. and Mrs. Clem's practices as far
4 as taping or any other -- the credibility of
5 Mr. Bollea, he's actually the one in question,
6 his knowledge, his sense of taping, those kinds
7 of things, I think that they are at least
8 appropriate for deposition and some discovery.

9 Am I asking at this point in time for any
10 other tapes to be turned over to the defense?
11 No. But I think that the topic is certainly
12 one that is appropriate.

13 MR. HARDER: I understand, Your Honor. I
14 would propose a compromise. If there happens
15 to be more footage, I would -- rather than
16 having Gawker or counsel get that footage,
17 perhaps Judge Case could get that footage and
18 look to see if it speaks to the issues that
19 they are saying, because I am very, very
20 confident that there is nothing on any videos
21 that would show that Hulk Hogan knew about
22 this, consented to this, any of that.

23 Now, I think what Mr. Berlin is saying, if
24 I understand him -- and I don't even -- I'm
25 operating in the dark here, because he's

1 talking about certain things that happened on
2 the video and yet they've never produced any
3 evidence of that to me and this is the first
4 time I've ever heard of it, that apparently
5 maybe the Clems were having a discussion that
6 they were going to get rich from this video,
7 then that's an issue that would pertain to the
8 Clems. It wouldn't pertain to Hulk Hogan
9 knowing about or consenting to, but it would
10 pertain to the Clems.

11 THE COURT: Mrs. Clem is still a defendant
12 in this case.

13 MR. HARDER: She is.

14 THE COURT: So it certainly would be
15 something that even your client would want to
16 know.

17 MR. HARDER: Probably, yes.

18 MR. THOMAS: Your Honor, what I would ask
19 as to that is today you ask Mr. Diaco if he
20 will agree to preserve all tapes that relate to
21 Ms. Clem and Mr. Hogan.

22 THE COURT: Yes. I think that's
23 appropriate.

24 So, Mr. Diaco, we don't want to later on
25 have any spoliation of evidence issues coming
