## DRUG & SEX SCANDAL

### hits 'Big Brother' contestant

**T**HE ENQUIRER has uncovered a hard-core drugs and gay sex scandal surrounding "Big Brother 9" contestant Joshua Welch – and we have the photos to prove it!

In these exclusive pictures, Welch, 25, is shown snorting cocaine and smoking marijuana.

"Joshuah was a gay stripper and a cokehead who'd stay up for days snorting the stuff," charged a former friend of the actor.

"I never saw anyone do so much cocaine!"

Commenting on the shocking photos, the source said: "I know for a fact that was marijuana in the hookah he was smoking because I was smoking it, too."

"And that's definitely cocaine, as well, I can verify that."

The hard-partying Texan also established a reputation for indulging in kinky gay sex, added a female pal. "Joshuah was a complete freak."

Confirmed the former male friend: "He did a LOT of coke. For a period of several months, a few years back, he was on

cocaine almost day and night." "Joshuah and I knew each other for about three years. We met at the gay clubs in Austin and ran in the same circles."

Joshuah is shown hitting on a hookah pipe and snorting a white substance

"Josh was a bartender at an Austin gay club called Boyz Cellar and then worked as a stripper at another place called Stripped."

Welch is now an advertising media buyer in the Dallas area, but back when he was attending the University of Texas at Austin, and even after graduating, he "did little else but party," said the source.

"Josh used to be a pretty nice guy, but I think all the drug use changed him."

"He can turn on you in a second."

"I was watching 'Big Brother' recently, and he was friends with this one girl."

"Then they're out by the pool – and suddenly he starts screaming at her...all sorts of horrible names like 'horse face.' "The other people in the house were shocked, but I knew how often he would snap like that."

As for Joshua's chances of winning "Big Brother 9," the former friend laughed.

"Zero! He's not likable at all – and not a good enough actor to make people like him."

## HOLLYWOOD'S NASTIEST DIVORCE

# HULK HOGAN REELING AFTER MORE CHEATING ALLEGATIONS

One of Hulk's affairs was with daughter Brooke's former friend Christiane Plante

## Wife could claim bulk of \$50 million fortune

**J**UST one week after The ENQUIRER revealed his affair with his teenage daughter's best friend, Hulk Hogan is fighting more claims that he cheated on his wife.

The "Hogan Knows Best" star allegedly seduced a string of women, including the wife of his ring rival Randy "Macho Man" Savage, during his 24-year marriage, according to insiders.

And legal experts say the bombshell sex charges could lead to Hulk's wife Linda,

47, wresting away a larger chunk of their \$50-million-plus fortune as the divorce has turned into one of the nastiest celebrity splits ever.

The couple's divorce battle exploded when we reported exclusively that Hulk, 54, carried on a secret affair with his 19-year-old daughter Brooke's former best pal and trusted family confidante, Christiane Plante, who's 33.

"Hulk was floored when his cheating with Christiane was exposed. Now he's worried sick about what impact it will have on his divorce settlement," an insider told The ENQUIRER.

"LINDA HAS BEEN HEARING WHISPERS about Hulk's alleged extramarital affairs for years. Now she believes that if he had the audacity to cheat with Brooke's best friend, then it's likely he's had other affairs – and she's going to try to use that as leverage to take him to the cleaners!"

Randy Savage and Elizabeth

One of Hulk's alleged girlfriends was Elizabeth Hulette, a curvy brunette known to wrestling fans as Miss Elizabeth. She was married to wrestler Randy Savage and managed Hulk's career before she died suddenly of acute toxicity at age 42 in May 2003 amid reports that she was using drugs.

"In 1992, Elizabeth stayed in the same hotel as Hulk and Linda in South Florida. During that visit she decided out of the blue that she was going to divorce Randy," said the insider.

"For years there was bad blood between Hulk and Randy because of speculation that Elizabeth was having an affair with Hulk. Linda, meanwhile, felt she had to ignore the rumors because she had no solid proof Hulk was cheating."

Linda stood by the wrestling great in 1995 when a woman named Kate Kennedy claimed Hulk sexually assaulted her in a Bloomington, Minn., hotel suite.

Kennedy claimed Hulk lifted her off the floor, carried her to his bedroom, threw her onto the bed and forced her to perform sex acts.

While Hulk was acquitted of sexual assault charges: "Linda now believes it's very likely Hulk and Kennedy had consensual sex," said the insider.

Linda also suspected Hulk cheated with a female trainer in Los Angeles – and armed with these new allegations of his infidelity, she could clean up in divorce court, says a top attorney in Boca Raton, Fla.

"Court awards in Florida are typically not determined by the cause of the couple's divorce, but if Linda can prove she suffered a substantial loss of marital assets because of an adulterous affair, then she could be awarded a higher amount," lawyer Max Karyo told The ENQUIRER.

"She'll probably end up receiving more than 50 percent of their marital assets, plus alimony if she cannot maintain her lifestyle."
