Re: Terry Gene Bollea v. Gawker Media, LLC, et al.
Case No.: 8:12-cv-02348-JDW-TBM

Dear Judge Campbell:

Please find enclosed Defendants' Exceptions to the portion of the recent Report and Recommendation Denying their Motion for Sanctions. Defendants have filed the attached exceptions principally to preserve the issues raised in that motion. Consistent with the discussion at the last hearing about streamlining where possible, defendants do not request a hearing on these exceptions and are agreeable to having Your Honor rule on the exceptions on the papers. To that end, please find enclosed two proposed orders, one sustaining the exceptions and granting the motion and the other overruling the exceptions and adopting the report and recommendation. Under separate cover, Paul Safier of the Levine Sullivan firm will forward a binder of the parties' motion papers that were submitted to Judge Case for your reference.

Defendants are not filing exceptions with respect to the other two Reports and Recommendations that Your Honor mentioned during last week's hearing.
