Re: *Terry Gene Bollea v. Heather Clem, Gawker Media LLC, et al*
Circuit Court of the Sixth Judicial Council in and for Pinellas County, Florida
Case Number 12012447CI-011

Dear Judge Campbell:

We write in response to Your Honor's concerns expressed during the October 22, 2014 hearing regarding the filing of confidential information in the above-referenced matter. The parties have investigated the matter and found that nothing with a confidential designation was filed in the public record prior to the October 22 hearing. The confidential letter the Court referred to during the October 22 hearing was filed **under seal** by Defendants Gawker Media, LLC ("Gawker"), Nick Denton and A.J. Daulerio, pursuant to the Court's protocol. Enclosed please find Gawker's October 16, 2014 Notice of Confidential Information within Court Filing and the accompanying Motion to Determine Confidentiality of Court Records.

The parties appreciate the Court's sensitivity to this issue and will continue to carefully follow the Court's protocol for filing documents that include information that has been designated as confidential in discovery.

Very truly yours,
