1
2 THE BAILIFF: All rise. The Circuit Court is
3 now in session with the Honorable Pamela Campbell,
4 Circuit Court Judge, presiding.

5 THE COURT: Thank you. Good afternoon,
6 everybody.

7 All right. So we are here this afternoon,
8 Case No. 12-012447, and we're here for a case
9 management conference. In preparing for today, I
10 think the only thing that's on the schedule, so
11 everybody tell me if I'm wrong because that's the
12 only parts I brought out here with me, is the
13 exceptions to the report and recommendation of
14 November 5th. Is that right?

15 MR. BERLIN: I believe that those two things
16 are what's on for today, Your Honor.

17 THE COURT: Okay, great. Thank you.

18 Well -- oh, and the second part of it is to --
19 I think now the time is ripe for us to officially
20 set the trial and do some other case management
21 with some scheduling things.

22 Okay. So why don't we go ahead and begin with
23 the exception.

24 MR. BERLIN: Very well, Your Honor.

25 THE COURT: And thank you again for the

1 this would require potentially like every document
2 we have with our bank about our line of credit, and
3 I'm just wondering if there's some way we could
4 limit that, and that's what the first box under
5 affirmed in part or ruled in part was designed to
6 do, so that -- I don't know what relevance it has,
7 but I would like not to be producing, you know --

8 MR. HARDER: I'm not sure what documents
9 sufficient to show means because we're asking for
10 financial documents that Gawker Media is sending to
11 third parties making representations regarding
12 their finances, and we want to be able to compare
13 the finances in their representations to third
14 parties with their finances represented to us.

15 MR. BERLIN: But the way the request is
16 written, it's all documents related to equity, debt
17 or security offerings, which is a lot broader than
18 what Mr. Harder has said.

19 MR. HARDER: And I want all of the different
20 representations, not just having them
21 cherry-picked.

22 MR. BERLIN: I mean, for what it's worth, my
23 understanding is there's one to that, but I'm -- if
24 there's more, I don't object to that. I just would
25 like not to be doing a lot of stuff that's not

1 company. So if he comes back and says there are
2 inconsistencies --

3 MR. HARDER: Your Honor --

4 MR. BERLIN: -- then he can come back and say,
5 oh, well, now we have a red flag and we need to
6 have more.

7 MR. HARDER: Gawker provided us an income
8 statement into 2014. How about limiting it to --

9 THE COURT: Here's what I've got. Affirmed
10 I've limited to documents sufficient to show
11 financial representations of the defendants. I've
12 stricken the rest of that line. And then time
13 period limited to 2011, '12 and '13.

14 Okay. We're going on to 119 and 120.

15 MR. BERLIN: Again, your Honor, here I
16 understand you affirmed Judge Case and I would just
17 ask that if it's possible to give documents
18 sufficient to show the revenue for each of the
19 other sites rather than all documents. He can have
20 the information that he needs without -- I mean,
21 literally every document related to revenue and
22 expenses is an awful lot of documents.

23 THE COURT: Mr. Harder? Are you thinking?

24 MR. HARDER: Your Honor, we would agree to a
25 reasonable limitation. Mr. Berlin, I apologize,
