Hulk Hogan -- I'm the VICTIM in a Sex Tape Setup

31 minutes ago by TMZ Staff

Hulk Hogan says the sex tape being shopped to porn companies was "secretly filmed" WITHOUT his permission ... and claims the footage is nothing less than an "outrageous invasion of privacy."

TMZ **broke the story** ... the grainy video which has already been shopped to Vivid Entertainment features Hulk and a mystery brunette. It's unclear when the tape was shot.

Now, Hulk's lawyer David Houston has released a statement ... saying, "Terry Bollea is appalled at the unauthorized release of a secretly filmed video."

He adds, "[Hulk] neither approved of the filming nor the release of the same. It is clearly an outrageous invasion of privacy and breach of trust if it is genuine. We will take all necessary steps to enforce both civil and criminal liability."

Porn King to Hulk Hogan: There's a HUGE Appetite for Your Sex Tape

36 minutes ago by TMZ Staff

The kingpin of porn has reached out to **Hulk Hogan** in an effort to entice him to change his mind about the sex tape that has surfaced featuring the famous wrestler.

Steven Hirsch from **Vivid Entertainment** has sent Hulk a letter, which touts his company's stable of stars who include **Kim Kardashian, Kendra Wilkinson, Tommy Lee** and **Jimi Hendrix**.

After we broke the story that Hulk is front and center in a videotaped sexual encounter with a mystery brunette, he was adamant that he had no idea he was being taped and he would go after the people behind the tape both civilly and criminally.

Hirsch tells Hulk in the letter ... he admires what Hulk has accomplished and then says he saw a "teaser" of the tape and believes there would be a "huge demand."

Huge or not ... Hulk and his lawyer could not have been clearer on TMZ Live yesterday ... they don't want that tape to see the light of day.

Linda Hogan -- I Want to See Hulk Hogan's Sex Tape!

3 minutes ago by TMZ Staff

Count **Linda Hogan** among those who want to see **Hulk Hogan's** sex tape -- but get your mind out of the gutter ... it's because she thinks it will help her defense in Hulk's lawsuit against her.

As TMZ first reported, a sex tape featuring the wrestling legend is being shopped to Vivid Entertainment ... **a tape Hogan says was made without his knowledge.**

Sources close to Linda tell TMZ she'd like to get a look at the tape because she feels it could be a key piece of evidence in Hulk's defamation lawsuit against Linda. Hulk sued Linda last year ... claiming she was lying when, in her book, she alleged Hulk was abusive and cheated on her.

We're told Linda would like to figure out when the tape was made because it could help her prove Hulk was a cheater. According to our sources, if Linda can figure out who has the tape, she'll attempt to subpoena them for her case.

Hulk told TMZ this week he has been faithful to his current wife Jennifer, so the tape is at least five years old.

Hulk Hogan -- Take My Naked Ass Off the Internet!!!

3 minutes ago by TMZ Staff

Hulk Hogan is freaking OUT over screengrabs of **his alleged sex tape** that have leaked onto the Internet -- and now, the wrestling legend's taking legal action ... sending in his lawyer to clean up the XXX mess.

The black-and-white pics -- which appear to show a naked Hulk doing the nasty with an unidentified female -- surfaced on TheDirty.com last week ... and more pics followed.

But Hulk isn't taking the affront on his knees -- unlike a certain unidentified female -- in fact, his lawyer just fired off a cease and desist letter to TheDirty.com editor Nik Richie, demanding Nik take down the pics forthwith ... or face a lawsuit.

The lawyer writes, "As you know, should a sex tape or photographs of Mr. Bollea exist, they were taken without his consent and therefore the same would constitute a felony in the State of Florida."

We're told Nik and TheDirty.com have no plans to remove the pictures in question. Stay tuned ...
