The Iron Sheik: Hulk Hogan Sex Tape Proves "He Have Grasshopper Dick"

 **Brian Hickey**

When our old pal A.J. Daulerio got his hairy palms on this here Hulk Hogan sex tape, we were absolutely certain it would catch the attention of the Iron Sheik, occasional Deadspin contributor/Greatest Iranian of All-Time.

And sure enough, here's Sheiky's booth review, sent along by his manager:

I had a Hulk Hogan lunchbox and thermos in kindergarten, so I'm not a fan of there grasshoppers with Thermos-sized girth?

 **glennwelsh41**

Whenever I hear or see anything from the Sheik, it makes me think of "He Have Grasshopper Dick". Is he just senile now? Does he still think that he'll be headlining WrestleMania in a few years? I get that. BUT, what excuse does Hulk have for those raisin balls that he is sporting in the sex video?

 **TurtleHead2012**

Maybe Hogan's "He Have Grasshopper Dick" is a bit of a stretch, but I get that. BUT, what excuse does Hulk have for those raisin balls that he is sporting in the sex video?

Maybe this is a distinction without a difference, but judging from the backster's hairing to this as the "Heather Clem sex tape".

Utah Jazz Hands

without his famous doorag, I think he might consider a WWE comeback as The Shaved Pate Monk

If you are 6'7" then at the least you should have is a 10" wang.

Soooo.....are you guys ever going to release the whole tape?

Denseman and 4 more

Seriously please stop posting these things. This isn't Sheik even speaking, it's his chubby little dipshit "manager"/"exploiter". It makes you guys look like idiots especially with lyrics like "did you see how crazy/alcoholic/drugged-out/palatial American land on Sheik time nowadays?" is a fucking youtube sensation from 2006. Please stop giving this carny act's indelicate, accomplishing-nothing MANAGER a soapbox. It's not funny, it's not cute. It's a cynical unsuccessful douchebag pretending to be an angry old failure and we're over it. It's not really him, I guarantee this fucking shyster will open a "Sheik's Ghost" twitter account to keep the awful bit alive less than a day after Sheik actually dies. More »
