herself and to keep other
victims from having to go

Words are simply not sufficient to express the *New York Post's* fury at this perverted, unnatural desecration, which was first reported by our jocky sibling Deadspin. No, it will take a slide show of images from the nude video for the *Post* to properly communicate how livid it is at this breakdown of all that is good and moral. The powerful caption, accompanied by three Erin Andrews nooodddzzzzz:

VIOLATION: ESPN sportscaster Erin Andrews (above) was the innocent victim of a perv-cam-wielding sicko who secretly took these images of her in her hotel room and posted them online.

The *New York Post* is both nauseated and indignant.
