This too, you'll see some admits from the 20...
...of Hulk Hogan (born 1953) and 59-year-old...
...Hulk Hogan, professional wrestler, and...
...Life American Hero, to name. Despite his...
...woman remained to be the air wife of her...
...best friend, a famous radio DJ named...
...Shanty Lou Spangis. This footage was...
...initially circulated last April. TMZ...
...reported his existence. The Dirty showed...
...same screen shots, and Hulk responded up...
...because he claims he was "secretly...
...found." Last week, a burned DVD copy of...
...Hulk having sex with the woman rumored...
...to be Heather Chen (Hulk's ex-wife)...
...was delivered to us through an anonymous...
...source. They wanted no payment. They...
...wanted no credit. Their only request was...
...that we watch it. So I did. At 20:17 of 8...
...and repetitive abuse, it's a goddamn...
