John C. they're WINNERS

Camille D. we looz

Max R. [View paste](#)

While the authenticity of the tape is questionable, it isn't unfathomable that the actress could have previously engaged in acts of a sexual nature.

Fox is currently eight or so months pregnant with her first child with husband Brian Austin Green, so unless she did it just the one time (which is entirely possible) it is clear that she is into that sort of thing.

part of me feels like the daily caller is one really good unbelievably arch joke that none of us are up on yet

Kate B. You guys don't even know how good this Hulk Hogan tape is

fuck megan fox

Max R. hulk hogan fucks megan fox?!

Caity W. she WISHES. He gets really tender at the end.

Max R. does he do the leg drop?

Caity W. "thank you, be cool, you're awesome"

Max R. a really tender leg drop

Camille D. the hulk hogan sex tape looks like a paranormal activity spoof as far as i can tell from peeking over kate's shoulder

A.J. D. The whole thing gets disrupted mid-thrust when Bobby The Brain Heenan smashes a folding chair over his back.

Max R.

just imagine that with sade in the background

Camille D. dude the emails i have from his current wife are AMAZING

3:25 PM

A.J. D. Yeah the whole thing just encapsulates how celebrities are both completely alien beings but also completely dull humans.

Camille D. A year or two ago, Hulk was wrestling and his hip popped out, so he punched it back into place and finished the match.

Caity W. that happens on the tape!

Camille D. mid-coitus

now THAT would be a sex tape!

Max R. i'm not sure you could design a headline that would make me less likely to click than "Watch Hulk Hogan Pop His Hip Back into Place Mid-Coitus"

Cord J. how old is he?

3:30 PM

A.J. D. Old enough to be impressed with himself for having sex so soon after lunch. Which he talks about on tape.

John C. oof

Caity W. old enough that it could simply be a 3pm dinner

A.J. D. His penis is also wearing a little do-rag, too.

Kate B. he ate sashimi if you're wondering

Dissent Of The Day, Ctd

Many more readers are dissenting:

Andrew, your reader is right that "your passion is getting the better of you" about MCM, and your response to her proves it. In one breath you admit that MCM only "merely slightly dulls" pleasure, yet in the next you grab your pitchfork and torch so you can shout down dissent, saying "So, sorry. But you did that. You have scarred his penis for life. You made that decision on behalf of your infant son."

REDACTED GRAPHIC CONTENT

Yes, the reader made a decision on behalf of her son. Guess what? That's what parents do, all the time and every day.

Are all these choices wise or correct? Of course not! But we do the best we have with the information that we have. What is the point of accusing good-intentioned parents of "mutilating" their infant boys with a procedure that you yourself admit can still be part of a healthy, pleasurable sex life? Can your reader, and others like her, explain this to

Jim C. does he have blonde silky pubes?

A.J. D. Take your time.

10:05 AM

i have no problem with that

A.J. D. Here's why:

<http://www.t TMZ.com/2012/10/05/hulk-hogan-lawsui...>

Because of shit like that.

Hamilton N. well it's definitely not worth fighting Hulk Hogan over.

Max R. EW is the worst with "exclusives"

EXCLUSIVE: TOM BERENGER TO GUEST STAR ON THIS WEEK'S NCIS

A.J. D. It's fucking amateur and deceptive and more often than not it makes us look like we need to over-sell for traffic.

I mean, that was it's original intent.

Max R. EXCLUSIVE: SOMEONE'S PUBLICIST TOLD US SOMETHING

A.J. D. To play the game with TMZ and RADAR and all that other horse shit.

Hamilton N. I mean I don't really care either way but there ARE stories that are big and exclusive to us and where that tag can properly be used. If we overuse it that's a separate problem. But if you want to ban it that's fine.

10:10 AM

A.J. D. I just like to let the work speak for itself. The internet is vast. Good stuff finds an audience without the obnoxious EXCLUSIVE bullhorn.

John C. some of his neighbors are african american

Leah B. wait wait...James King's dog is named James King?

Camille D. Then everybody here went H.A.M. on him and now he has a personal vendetta
it seems

oh this is the best story ever. basically, James King started and I was trying to
make awkward conversation with him

because i was a chick and that made me invisible (seriously, dude has mad
issues with women in the workplace, and I never say shit like that)

his dog came up in regards to his new apt and i was like, oh! What's your dog's

The mast (spire) will expand and shrink more than the building, and could vary several feet over its 400-foot length (40 stories!). The building will vary much less after it settles, which could take several years. Loading the building with people, equipment and furnishings will produce the first settlement after completion, then gradual thereafter. Presumably the structural loading has been carefully calculated, and the variation of the mast to some extent. Masts are often designed to allow sway and contraction and expansion to reduce stresses due to rigidity (same for aircraft and ships). However, they do topple, and must be inspected often.

Frank "Connor" Snellings, 21, the son of U.S. Sen. Mary Landrieu, D-La., was arrested Thursday morning on charges of driving while intoxicated, hit-and-run driving, and driving the wrong way on a one-way street in the French Quarter, according to the Orleans Parish Sheriff's Office. The car Snellings was driving hit a pedestrian, who was not seriously injured, according to the sheriff's report. Snellings and a passenger in his car were not hurt.

John C. ok: so when posts are recommended, those posts have a HARD 70-character limit

as opposed to a SOFT 70-character (read: 60-character) limit

and they will wrap if necessary

they are fucking with the sizes of those recommended headlines arbitrarily and for kicks

10:55 AM

John C. they will probably end up making them slightly larger than they are now, but smaller than they were just experimenting with

Tom S. Let's just go to 30.

Tom S. "50 Air-Breathing Vertebrates"

Hamilton N. fine I'll include your fucking fish. however then I also have to include birds

Tom S. Or call it "Mammals."

Sam B. birds are more animal than fish

Hamilton N. and you are closing out any future rankings of "best fish" for example

Tom S. You can still rank fish.

That's like ranking one musician's songs. No conflict between that and doing a ranking of musicians.

John C. i mean if you want to do it by phylum, be my guest
