**Excerpts from the Bubba the Love  
Sponge Show, October 17, 2012, Hour 3 Segment 1**

BUBBA CLEM: I think Howard's standing by. Brent, check on that.

BRENT HATLEY: I am. Steve was saying maybe two minutes.

CLEM: Alright well, just give me the heads up.

HATLEY: I am on one way with Steve right now for him to say we are up.

CLEM: When we are up. Ned, welcome back, I know you have been working on a little ditty.

NED: Yep.

CLEM: Manson also has two new ditties as well. Ned says his is a masterpiece, he said he needs another day or so.

NED: At least.

CLEM: Alright. Manson's working title of his ditty "Hogan's in Your Bedroom" and Hogan Married a Stripper".

CLEM: Standing by, high and dry, for the Honorable Howard Stern.

Live on live, right?

...

CLEM: I'm not afraid of telling the truth. I'm not afraid of taking a lie-detector test. I'm not afraid of hoping to find out where this came from. I'm not afraid of any of it.

HOWARD STERN: Bubba –

CLEM: I'm afraid that two people are being hung out right now to be made to look like they're bad guys, and one person is trying to cover their ass at the expense of the other two, and that's what I'm afraid of. I'm trying to stick up for Heather and I because we're not the only two bad guys in this particular situation and we don't use the legal system to try to cover our ass on something that we did that probably – (inaudible) –

STERN: So you're saying that you would appear here with Hulk Hogan and let me –

CLEM: Yes.

STERN: Yes? You're not afraid?

CLEM: No, I'm not afraid of anything.

STERN: I love that.

CLEM: I'm not – I've obviously shown that I'm not afraid of anything.

STERN: I'm getting you out of this lawsuit.

CLEM: Well, I –

HATLEY: That would be awesome.

CLEM: – (inaudible) –

TARA CLEM: (Inaudible) – love it.

STERN: I would do it –

ROBIN QUIVERS: He also –

STERN: – because he's never been bigger in the news.

CLEM: Well, I mean, had he shut up after your show –

STERN: Yeah.

CLEM: I realize he had to do your show for his wrestling pay-per-view and I appreciate that, OK?

STERN: Right, right.

CLEM: Had he shut up, this would be gone by now. Had he privately – you know, you don't go to the federal courthouse at 5 p.m. with all the news cameras there and call a press conference when you're going to sue somebody federally.

STERN: But I tell you why you do do it. Let's say he really is embarrassed by this. Let's say everything that they're reporting, these rumors that there's N-words being said and –

CLEM: But he said it!

STERN: But wait a second. Let's say he really wants to stop the outcome of the tape going public, and he's very embarrassed by what might or might not be on there and he's just ashamed. So how does he get everyone to shake in their boots?

CLEM: As we all are.

STERN: He's – he wants to show the world he's serious, that he will litigate, that he will go after the people.

CLEM: But if you're going to include your friend, who is part of this, and you all three knew what was going on – so you're going to –

STERN: Right.

CLEM: – you're going to throw me to the wolves as well?
