BOLLEA advised approximately five and a half to six years ago, he engaged in sexual intercourse with HEATHER CLEM (hereinafter referred to as "H. CLEM"), the former wife of local radio personality TODD CLEM, also known as BUBBA THE LOVE SPONGE (hereinafter referred to as "T. CLEM"). BOLLEA recalls having sexual intercourse with H. CLEM more than twice but less than five times over a three to four month period. The sexual relationship between BOLLEA and H. BOLLEA advised for the two years prior to having intercourse with H. CLEM, H. CLEM would constantly make advances on BOLLEA to the point of telling him she fantasized about him and asking to see his penis. On the night BOLLEA's former wife, [redacted] filed for divorce, BOLLEA was distraught and sought T. CLEM's company. The two went out together and T. CLEM told BOLLEA to come back to his residence to stay for the evening. BOLLEA agreed and on the way home, T. CLEM called H. CLEM to tell her that BOLLEA was coming over for the evening. Looking back at this call, BOLLEA believes that T. CLEM was possibly having H. CLEM set up the camera that ultimately taped the sex act.

When BOLLEA arrived at the CLEM residence, H. CLEM made advances on BOLLEA that were again encouraged by T. CLEM. BOLLEA then agreed to have sexual intercourse with H. CLEM. While in the master bedroom, BOLLEA stated he recalled asking T. CLEM "you aren't filming this are you?" T. CLEM responded that he was not filming and that he would not do that to BOLLEA. BOLLEA was asked by interviewing Agents why he thought to ask about the filming. BOLLEA responded by stating T. CLEM has surveillance cameras all

over his residence and wanted to make sure he was not filming in the bedroom. BOLLEA denied any knowledge of filming taking place in the bedroom and denied ever consenting to being filmed.

In April 2012, grainy pictures emerged which showed BOLLEA engaged in sexual intercourse with who he knew then to be H. CLEM. BOLLEA immediately contacted T. CLEM, which BOLLEA advised had been his long time best friend to ask him where the pictures came from and how they were released. T. CLEM denied having anything to do with the pictures and blamed H. CLEM.

On October 3, 2012, GAWKER released a one minute video showing the sexual act between BOLLEA and H. CLEM. BOLLEA called T. CLEM to ask why he would tape the two of them and release it. T. CLEM denied having anything to do with the taping and release of the tape and asked how H. CLEM could have done this to he and BOLLEA. BOLLEA stated he believed at the time that T. CLEM had nothing to do with the filming and release of the tape. Based on these statements, BOLLEA, who had previously scheduled media appearances for his wrestling show, went on the Howard Stern show, Today show and others defending T. CLEM.

BOLLEA learned from his attorney that the media company TMZ stated T. CLEM made statements on camera regarding the tape being their retirement fund after BOLLEA left the room. BOLLEA questioned T. CLEM regarding this statement, yet T. CLEM continued to deny that he had anything to do with the filming. BOLLEA has gotten numerous text messages from T. CLEM denying he had anything to do with the taping of the sex act as well as blaming H. CLEM. BOLLEA keeps all text messages and provides them to Houston and will make them available to interviewing Agents.

BOLLEA was asked by interviewing Agents whether the whole situation is some type of publicity stunt. BOLLEA denied it was a publicity stunt as he stands to make several million dollars if he would give his consent and sell the tape. BOLLEA is not interested in this scenario, rather he wants to prosecute whoever did this to him.

Agent Note: Contained within the 1A are interview notes containing statements from both BOLLEA and Houston. Separate 302's were written to separate the statements.
