I was never ur friend ??? Really terry. I was never ur fucking friend. Cause we got this fucked up situation right now. That quite frankly is embarrassing for all parties. And now u play the u were never my friend bullshit. I'm not answering questions terry via text. Mainly cause u have a guy for a lawyer that loves the spotlight and churns the shit out of u. I wasn't ever ur friend. Why. Cause ur not getting ur way right now? U quickly forget how fucking unfair our friendship really has been haven't you. U are a one way asshole terry. Just like everybody warned me. Brooke's singing career. I was the only media member not to bury u during nicks shit. Go back and watch my video taped depo during ur divorce. How bout the 7 phone calls a week on my show when Charlie was banging Linda locally. That's right terry. I've never been ur friend. We have this fucked up mess. And ur trying to cover ur ass with Jenifer. U know ur wife that u meant with me at the doll house. Wake up Terry. If u had shut ur mouth this would have been done from now. But u/ David are on a mission. Terry. Don't u EVER say that shit again to me. We are in a mess. Yes agreed. Don't play the u Weren't my friend shit.

Why are there 3 tapes out there and u still want answer me, why did u set the camera up and film me, if u were my friend you would t give a shit about the text ,u would have turned around when u were on the way to Ocala to explain it to me. diaco said u had some major problems, ur new girlfriend, ur suicidal and I know ur worried about loosing your new station in Melbourne but guess what I got a few big problems also, me running my mouth, get real, oh that's right you can't you'd have to tell the truth, this is only happening because you screwed me over, you filmed me without telling me and then you weren't man enough to tell me ,you let me fight for my life and yours and then the TMZ had to tell me the truth, thanks for everything my friend lol

There's a reason I've joked and called u one way. U wanna talk about true friends. Just like the time u had my back with Dixie and awesome kong. Thanks. This is a great thing actually. Cause it forces me to not have any more interaction with u. No more yellow birds. No more chicken sandwich one way bullshit. If u think u have problems with bird now. Then I hope her and her friends don't want to hear my truthful accounts on how u really are as a person. U only care about urself. I'm sorry terry. The public isn't going to feel sorry for ya. Nobody held a gun to ur head to do what ya did. Nobody held a gun to ur head to fuck

But u need to make this a big dog and pony show so bird doesn't leave you. I've kept my mouth shut. I've not said a word. But I will not continue to look like the asshole. U need to think long and hard about what u say about me. Long and hard.
