**CONFIDENTIAL DECLARATION  
OF GREGG D. THOMAS  
IN SUPPORT OF PLAINTIFFS' OBJECTIONS**

**SETTLEMENT AGREEMENT AND MUTUAL RELEASE**

**1.0 THE PARTIES**

1.1 This Settlement Agreement and Mutual Release (hereinafter, this "Agreement") is made and deemed effective as of the \_\_\_\_ day of November, 2012, by and between TARYN BOSTICK ("TB" a pseudonym whose true identity will be acknowledged on a Side Letter Agreement attached hereto as "EXHIBIT A"), on the one part, and JO WALSH, (JW), on the other part. This Agreement is entered into with reference to the facts and circumstances contained in the following recitals.

**2.0 RECITALS**

2.1 Prior to entering into this Agreement, JW came into possession of certain "Confidential Information" pertaining to TB which was filmed without TB's consent or knowledge, as more fully defined below, some of which is in tangible form, which includes, but is not limited to certain videographic images depicting TB (collectively the "Property"; each as more fully defined below but which all are included and attached hereto as Exhibit "B").

2.2 JW claims that she has been damaged by TB's alleged actions related to this matter. TB denies any such claim. TB alleges that JW has threatened the selling, transferring, licensing, publicly disseminating and/or exploiting the Images and/or Property and/or other Confidential Information, all without the knowledge, consent or authorization of TB absent payment by TB in settlement and for purchase of all rights, title and interest in all video held by JW. The parties herein stipulate, understand and agree that public dissemination of information, true, accurate or not would without any doubt damage TB's business interests, reputation, personal relationships and ability to earn a living in the future.

2.3 Further, the parties hereto further stipulate that in the event of a breach or alleged breach by JW, the following defenses/mitigations shall be unavailable: (a) public figure; (b) newsworthiness; (c) Lack of Damage; (d) An allegation that TB was not grievously harmed by JW's release of information.

2.4 TB desires to acquire, and JW desires to sell, transfer and turn-over to TB, any and all original, tangible copies of the Property, and any and all physical and intellectual property rights in and to all of the Property. As a condition of TB releasing any claims against JW related to this matter, JW agrees to sell and transfer to TB all of each of her rights in and to such Property. JW agrees to deliver each and every existing copy of all tangible Property to TB (and permanently delete any electronic copies that can not be transferred), and agrees that she shall not directly or indirectly disclose convey, transfer or assign Property or any Confidential Information to any Third Party, as more fully provided herein.

2.5 It is the intention of the Parties that Confidential Information, as defined herein, shall remain confidential as expressly provided herein below. The Parties expressly acknowledge, agree and understand that the Confidentiality provisions herein and the

representations and warranties made by JW herein and the execution by her of the Assignment & Transfer of Copyright are at the essence of this Settlement Agreement and are a material inducement to TB's entry into this Agreement, absent which TB would not enter into this Agreement.

2.6 The Parties wish to avoid the time, expense, and inconvenience of potential litigation, and to resolve any and all disputes and potential legal claims which exist or may exist between them, as of the date of this Agreement, regarding the Claims against JW as relates to JW having allowed, whether intentionally, unintentionally or negligently, anyone to become aware of the existence of and content of the Property, to have gained possession of the Property, and to JW's having engaged in efforts to disclose, disseminate and/or commercially exploit the Images and/or Property and/or Confidential Information, and any harm suffered by TB therefrom.

2.7 These Recitals are essential, integral and material terms of this Agreement, and this Agreement shall be construed with respect thereto. The Parties enter into this Agreement in consideration of the promises, covenants and conditions set forth herein, and for good and valuable consideration, the receipt of which is hereby acknowledged.

NOW, THEREFORE, the Parties adopt the foregoing recitals as a statement of their intent and in consideration of the promises and covenants contained herein, and further agree as follows:

Notwithstanding the foregoing, if any of the rights herein granted are subject to termination under section 203 of the Copyright Act, or any similar provisions of the Act or subsequent amendments thereof, JW hereby agrees to re-grant such rights to TB immediately upon such termination. All rights granted herein or agreed to be granted hereunder shall vest in TB immediately and shall remain vested in perpetuity. TB shall have the right to freely assign, sell, transfer or destroy the Property as she desires. TB shall have the right to register sole copyright in and to any of the Property with the US Copyright Office. With respect to and in furtherance of the above, JW agrees to and shall execute and deliver to TB an "Assignment & Transfer of Copyright", in the form attached hereto as Exhibit "A".

3.2.1 Notwithstanding the foregoing paragraph 3.2, and without in anyway limiting or diminishing from the full transfer and assignment of rights therein without reservation, the Parties understand the purpose of the transfer of rights is to provide TB the fullest possible ability and remedies to prevent and protect against any dissemination of the Property.

4.3 Disclosure Of Confidential Information Is Prohibited: JW recognizes and agrees that substantial effort and expense have been dedicated to limit the efforts of the press, other media, and the public to learn of personal and business affairs involving TB. JW further acknowledges that any future disclosure of Confidential Information to any Third Party would constitute a serious and material breach of the terms of this Agreement, and shall constitute a breach of trust and confidence, invasion of privacy, and a misappropriation of exclusive property rights, and may also constitute fraud and deceit. Some of the Confidential Information may also constitute and includes proprietary business information and trade secrets which have independent economic value. JW acknowledges that any unauthorized use, dissemination or disclosure of Confidential Information, or the fabrication and dissemination of false and/or misleading information, about TB, would result in irreparable injury to TB, and would be injurious to a reasonable person, and/or would constitute an injurious violation of the right of privacy or publicity, and/or would be injurious to TB's business, profession, person and/or career. 4.3.1 Disclosures Permitted By JW. Notwithstanding the foregoing, JW shall only be permitted to disclose Confidential Information to another person or entity only if compelled to do so by valid legal process, including without limitation a subpoena duces tecum or similar legal compulsion, provided that JW shall not make any such disclosure unless JW has first provided TB with notice of such order or legal process not less than ten (10) days in advance of the required date of disclosure pursuant to the Written Notice provisions set forth hereinbelow, providing TB with an opportunity to intervene and with full and complete cooperation should she choose to oppose such disclosure.

## 5.0 REMEDIES

5.1 TB's Remedies for Breach of Agreement. Each breach or threatened breach (e.g., conduct by JW reflecting that said person intends to breach the Agreement), including without limitation by breach of any representation or warranty, by failing to deliver to TB all tangible Property as required, by the disclosure or threatened disclosure of any Confidential Information to any Third Party by JW (herein "Prohibited Communication"), or otherwise, shall render JW liable to TB for any and all damages and injuries incurred as a result thereof, including but not limited to the following, all of which rights and remedies shall be cumulative:

5.1.1 Disgorgement of Monies: In the event an Arbitrator determines there has been a breach or threatened breach of this Agreement by JW, JW shall be obligated to account to, and to disgorge and turn over to TB any and all monies, profits, or other consideration, or benefits, which JW, or anyone on JW's behalf or at JW's direction, directly or indirectly derive from any disclosure or exploitation of any of the Confidential Information; and

5.1.2 Liquidated Damages: JW agrees that any material breach or violation of this Agreement by any of JW individually or the JW Group by his/their unauthorized disclosure of any of the Confidential Information (as defined in paragraphs 4.1(a), (b), (c), and (d)) to any Third Party, and/or any unauthorized exploitation or prohibited use of the same, and/or by the breach of and/or by any false representations and warranties set forth in this Agreement, and/or any public disparagement of TB by any of JW (collectively, the "LD Breach Terms"), shall result in substantial damages and injury to TB, the precise amount of which would be extremely difficult or impracticable to determine, even after the Parties have made a reasonable endeavor to estimate fair compensation for such potential losses and damages to TB. Therefore, in addition to disgorgement of the full amount of all monies or other consideration pursuant to paragraph 5.1.2, in the event an Arbitrator determines there has been a breach of the LD Breach Terms of this Agreement by JW individually or the JW Group, JW shall also be obligated to pay, and agree to pay to TB the sum of Six Hundred Thousand Dollars (\$600,000) as a reasonable and fair amount of liquidated damages to compensate TB for any loss or damage resulting from each breach. The Parties agree that such sum bears a reasonable and proximate relationship to the actual damages which TB will or might suffer from each breach of the terms of this Agreement and that this amount is not a penalty. Alternatively, at TB's sole discretion, TB may seek to recover actual damages proximately caused by each such breach, according to proof. Any other breaches not a LD Breach Terms shall be subject to a claim for actual damages according to proof; and

TB  
TB

JW

5.1.3 Injunctive Relief. JW acknowledges and agrees that any unauthorized disclosure to Third Parties of any Confidential Information will cause irreparable harm to TB, which damages and injuries will most likely not be measurable or susceptible to calculation. JW and further acknowledges and agrees that any breach or threatened breach of this Agreement due to the unauthorized disclosure or threatened disclosure by JW to Third Parties, of any Confidential Information shall entitle TB to immediately obtain, either from the Arbitrator or from the Los Angeles Superior Court and/or other court of competent jurisdiction, an *ex parte* issuance of a restraining order and preliminary injunction (herein "Injunctive Relief") without advance notice to any of JW, preventing the disclosure or any further disclosure of Confidential Information protected by the terms hereof, pending the decision of the Arbitrator or Court. The Parties further acknowledge and agree that in connection with any such proceeding, any Party may obtain from the Court or Arbitrator on an *ex parte* application or noticed motion without opposition, an order sealing the file in any such proceeding, and the Parties stipulate to the factual and legal basis for issuance of an order sealing the file in any such proceedings. The rights and remedies set forth in this Injunctive Relief Section are without prejudice to any other rights or remedies, legal or equitable, that the Parties may have as a result of any breach of this Agreement.

5.2 Dispute Resolution. In recognition of the mutual benefits to TB and JW of a voluntary system of alternative dispute resolution which involves binding confidential arbitration of all disputes which may arise between them, it is their intention and agreement that any and all claims or controversies arising between TB on the one hand, and JW on the other hand, shall be resolved by binding confidential Arbitration to the greatest extent permitted by law. Arbitration shall take place before JAMS ENDISPUTE ("JAMS") pursuant to JAMS Comprehensive Arbitration Rules and Procedures (including Interim Measures) ("JAMS Rules") and California law, or before ACTION DISPUTE RESOLUTION SERVICES ("ADRS") pursuant to the ADRS Rules (including Interim Measures) and California law (whichever the claimant elects upon filing an arbitration), in Los Angeles, California, and will be heard and decided by a sole, neutral arbitrator ("Arbitrator") selected either by agreement of the Parties, or if the Parties are unable to agree, then selected under the Rules of the selected arbitration service. The costs and fees associated with any Arbitrator and/or Arbitration service shall be split equally among the parties to any such dispute. The Parties shall have the right to conduct discovery in accordance with the California Code of Civil Procedure Section 1283.05 *et. seq.* and the written discovery requests and results of discovery shall be deemed to constitute Confidential Information. The Arbitrator shall have the right to impose all legal and equitable remedies that would be available to any Party before any governmental dispute resolution forum or court of competent jurisdiction, including without limitation temporary, preliminary and permanent injunctive relief, compensatory damages, liquidated damages, accounting, disgorgement, specific performance, attorneys fees and costs, and punitive damages. It is understood and agreed that each of the Parties shall bear his/its own attorneys' fees, expert fees, consulting fees, and other litigation costs (if any) ordinarily associated with legal proceedings taking place in a judicial forum, subject to the Arbitrator's reassessment in favor of the prevailing party to the extent permitted by California law. Each of the Parties understands, acknowledges and agrees that by agreeing to arbitration as provided herein, each of the Parties is giving up any right that he/she/it may have to a trial by judge or jury with regard to the matters which are required to be

submitted to mandatory and binding Arbitration pursuant to the terms hereof. Each of the Parties further understands, acknowledges and agrees that there is no right to an appeal or a review of an Arbitrator's award as there would be a right of appeal or review of a judge or jury's decision.
