**UPDATE:** The WWE acted swiftly in the wake of The National ENQUIRER's explosive report – FIRING Hulk Hogan! In a statement to The ENQUIRER, The WWE said: "WWE terminated its contract with Terry Bollea (aka Hulk Hogan). WWE is committed to embracing and celebrating individuals from all backgrounds as demonstrated by the diversity of our employees, performers and fans worldwide."

Hulk Hogan has been captured on tape spewing foul-mouthed racial slurs – including the N-word.

In a shocking world exclusive, The National ENQUIRER and RadarOnline.com – in a joint investigation – has learned that sordid pillow talk caught on an unauthorized sex tape includes a revolting conversation in which the pro wrestling icon unleashed a filthy bigoted attack, littered with the N-word and other disgusting racial insults.

The star of the WWE – whose real name is Terry Bollea – directed his vulgar and prejudiced hatred at his daughter Brooke, who he accused

Subscri

of sleeping with a black man.

Using language so hate-filled and vile it would shock even his most ardent fans, Hulk brazenly blustered to Heather Clem – the wife of his former pal Bubba “The Love Sponge,” with whom he was covertly filmed having sex with in 2012 – that he was an unabashed “racist.”

"I guess we're all a little racist," he crowed on the tape, multiple sources have confirmed exclusively to The ENQUIRER.

Despite his TV image as a born-again Christian, the tapes prove that Hulk is a very different man off camera!

In a startling exchange, the 61-year-old told Clem – who he sued for invasion of privacy after their XXX tape was leaked to a website – about his frustrations with blonde bombshell Brooke, 27.

"She is making some real bad decisions now," Hulk said, sources tell us. "My daughter Brooke jumped sides on me. I spent \$2-3 million on her music career, I've done everything like a jackass for her."

The bitter bodybuilder continued, "The one option Brooke had, Brooke's career besides me, is [to] sell beach records."

At that point on the tape, the former "Hogan Knows Best" star bemoaned how a "black billionaire guy" had offered to fund her music career.

He also attempts to use bizarre, twisted logic in an attempt to justify his bigotry at the man.

"I don't know if Brooke was f\*cking the black guy's son," Hulk raved, the sources add.

"I mean, I don't have double standards. I mean, I am a racist, to a point, f\*cking n\*ggers. But then when it comes to nice people and sh\*t, and whatever."

Then, in a tirade to rival the racism embarrassments suffered by Mel Gibson and "Dog The Bounty Hunter," Hulk unloaded even more hatred!

According to sources, he said: "I mean, I'd rather if she was going to f\*ck some n\*gger, I'd rather have her marry an 8-foot-tall n\*gger worth a hundred million dollars! Like a basketball player!"

"I guess we're all a little racist. Fucking n\*gger."

Radar and The ENQUIRER has learned explosive transcripts of the loathsome conversation have been filed in a Florida court, under seal, in a bid to prevent them from being publicly released.

But an extensive news probe uncovered five independent sources who provided the dramatic contents of the tape to this publication.

Hulk did not return a request for comment.
