Dear Special Agent Shearn:

Please be advised, it has come to my attention the Discovery Master in Terry Bollea v. Gawker et.al may in fact order us to execute a Freedom of Information Act Request.

I did not want the FBI to believe for a moment Terry has purposefully waived or in any way is in favor of the release of information as it concerns an open and pending criminal investigation.

As a consequence, if you would be so kind as to register our objection despite the execution of the Freedom of Information Act form, I would be most appreciative.

I want to thank you very much for your anticipated cooperation.

Sincerely,

DAICTATED BUT NOT READ
