Attorneys for Defendant Gawker Media, LLC,
et al.

1 to point out is the similarity of this motion with
2 their February 12th motion. They brought a motion
3 to compel compliance with the Court's October 29
4 order and for sanctions. Your Honor heard it and
5 Your Honor denied it. The things that are in
6 their motion now, it's a lot of the same stuff
7 that was in that prior motion that you denied. It
8 was things that, We never got the date right. We
9 initially said that the sexual encounters happened
10 in or about 2006 and then later we said in or
11 about 2008 and then later on we said mid 2007.

12 They already brought a motion for sanctions
13 on that. It was denied. There is no reason for
14 sanctions for something like that. If somebody
15 makes an estimate and then they revise their
16 estimate, you don't sanction them because they
17 revised their estimate. And it was certainly not
18 concealing anything. We did not have the dates
19 quite right. We did not have records about the
20 dates.

21 He talks about a letter from the AUSA which
22 identified communications that came from an
23 extortionist. He talks about how there exists
24 certain other tapes. I have never seen any of
25 those tapes. They have never seen any of those

1 tapes. Mr. Bollea has never seen any of those
2 tapes. Nobody on either side of this table or
3 Your Honor or Judge Campbell has ever seen any of
4 these supposed tapes. We don't know if they exist
5 or not. Nobody has seen them. Maybe they exist
6 and maybe they don't.

7 An extortionist said they exist, an
8 extortionist who wanted money and wanted to make
9 certain representations of what was in the
10 supposed tapes, that there is racial comments,
11 that there is all kinds of other comments in
12 there, nobody has seen any of these things.

13 But yet Mr. Berlin says these tape exist. He
14 told you that about ten times. These tapes exist,
15 and I concealed that. Nobody has seen them. I
16 haven't concealed anything. I don't know if they
17 exist. When he asked for communications with the
18 FBI, we produced it. Those communications had in
19 there communications from an extortionist saying,
20 These are the -- these tapes exist, and these are
21 what's on them. We produced them. They have it.

22 I think the only potential prejudice here is
23 that -- it's not even a prejudice. If they had
24 wanted the FBI communications sooner -- they knew
25 that we were talking to the FBI. They waited a
