Document: STATEMENT

Author 42324 - FINE, RALPH

W/M Clem was sworn and advised the statement he provided is true and accurate.

W/M Clem advised that he is the host of a syndicated radio program and is a known public figure.

W/M Clem advised that during October of 2011, he and his ex-wife began divorce proceedings. During this time, their relationship was contentious and he had concerns that personal information could potentially be made public by his wife that could affect his reputation as a public figure in the media. The primary focus of his concern involved the existence of several homemade DVD's depicting consensual sexual contact between his wife and other subjects of which he was a knowing participant. As a result of his concern, W/M Clem transferred the DVD's from his home to his workplace where he believed they would be more secure.

During the months of December 2011 and January 2012, he and his staff moved equipment and property from one radio studio to a newer radio studio at his current location. W/M Clem advised he specifically remembered moving the DVD's to an upstairs office/storage area in his new studio that was designated for his own personal items.

In March of 2012, W/M Clem learned that a screen shot of a portion of one of his personal DVD's had been leaked to the media. This screen shot depicted a still video image of his then wife and a close personal friend, professional wrestler and media figure Hulk Hogan, as they were involved in a consensual sexual encounter. At that time, W/M Clem immediately responded to the office/storage area and became aware that each of his DVD's were now missing.

W/M Clem advised that at that time, he did not believe his wife was involved in releasing the screen shot to the media or was responsible for their disappearance however, he could not rule out that she had been able to copy the DVD's prior to his moving them to his workplace. His minimal suspicions of her were also the result of the contentiousness of their ongoing divorce at that time.

W/M Clem advised that he had stronger suspicions that a former co-worker had taken the DVD's from the office/storage area. W/M Clem advised that

Matt Loyd (AKA "Spice Boy") was formerly an employee and an on-air member of his radio show. During the months of January and February 2012, W/M Loyd began to lobby with corporate executives to be granted a hosting position of his own radio program. W/M Clem believes that Loyd wanted to be considered as an available replacement to host his (The Bubba The Love Sponge Show) show in the event that he (W/M Clem), was fired. Shortly after this in April of 2012, Matt Loyd began to host his own radio program.

On today's date, W/M Clem received a tweet via social media to his radio show's twitter account. The tweet depicted a photo of one of the DVD's taken from W/M Clem's office/storage area in 2012. W/M Clem recognized the handwriting on the DVD as his own. W/M Clem related that he knew the DVD contained footage of a similar nature to other DVD's involving his ex-wife and was intended for his own personal use.

W/M Clem advised that he believes the tweeted photo of his stolen personal property is intended as a message and a threat to him. The personal footage depicted on the tweeted DVD has the potential to negatively affect his reputation and also, potentially, his livelihood were it released publicly.

W/M Clem related that he believes Matt Loyd had both the means and the motive to steal his personal DVD's. During his employment on The Bubba The Love Sponge Show, he had unrestricted access to all areas of the building including the office/storage area. He also, based upon his knowledge of Loyd's actions in 2012, believes that Loyd had a desire to take over as a host of his show. W/M Clem believes that Loyd took the DVD's with the intent to expose their content to the media and effectively cause his dismissal as a result of the associated scandal.

W/M Clem also advised that there are an additional 12 employees who work in his studio and each of them have access to the upstairs office/storage area. He does not suspect any current or prior employees of the theft of the DVD's other than Matt Loyd.

W/M Clem related in conclusion that he made a conscious decision to not report the theft of the DVD's originally in 2012 when he became aware of their disappearance. His rationale for this was that although Hulk Hogan had been exposed as a result of the release of the specific DVD involving him, other involved subjects had not yet been exposed and he hoped by not reporting the theft, he could protect them from potential scandal that could result from his offense report.

Related date/time **May-27-2014 (Tue.)**

On 05/27/14 I received this assigned case reference latent investigation. The phone numbers listed for Clem were longer valid so I left a message with Cox Media Group for him to call me.

On 05/28/14 I received a call from Clem's agent, Tom Bean. Bean provided me with his phone number and said he would be able to have Clem call me should it become necessary. I informed Bean that I would like to speak with Clem about responding back to the tweet he received before I subpoenaed Twitter. Bean stated he would have Clem call me.

On 05/30/14 I received a call from Clem. I informed him of Twitter's policy to notify the account holder when a subpoena is issued. Therefore, I would like for him to respond to the tweet. Clem agreed and it was decided that he would tweet something similar to "hey buddy, thanks for looking out." And then see if there was a response.

On 06/24/14 I attempted to contact Clem and left a message.

On 06/25/14 I completed a Subpoena for Records requesting information for the Twitter handle #JoshintheCity which was used to send the tweet regarding the DVD. The subpoena was reviewed and approved by ASA Goldstein.

On 07/08/14 I received the subpoena information from Twitter which showed the account was created on 05/17/14 at 2306 hours, using the email address of radiomanflavor1970@gmail.com, from an IP address of 97.76.206.251. A computer check of the IP address used to create the Twitter account came back to being a Time Warner account.

I prepared a subpoena for records request to Time Warner for account information. The subpoena was reviewed and approved by ASA Traina.

On 07/09/14 I contacted Clem and informed him of the email address used to create the Twitter account. He stated that it did not sound familiar to him.

Clem informed me that he had received a tweets from the subject and would email them to me.

The tweets Clem emailed me were as follows:

Clem: 6/4/14, 10:39 AM "I'm trying to reach out to you"

Josh: 6/4/14, 11:05 PM "Sorry was outta town My girlfriend told me not to give it back to you because of all the stuff going on. I like ya and dont know what 2 do".

Clem: 6/6/14, 4:08 AM "Well i would like to get it back".

Josh: 7/2/14, 7:55 AM "Just got back & listening. You fired Shanon? He was my favorite"

Clem: 7/2/14, 10:25 AM "No I didn't fire him at all. It was his choice to leave"

Clem: 7/2/14, 10:26 AM "U ever going 2 meet me to pick up that DVD"

Clem informed me that there has been no other contact from the subject.

On 07/17/14 I received information from Time Warner that the IP address belonged to Bright house Networks.

I prepared a subpoena for records to Bright house Networks account holder information regarding the IP address. The subpoena was reviewed and approved by ASA Goldstein.

On 07/23/14 I received the information from Bright house Networks which showed the IP address as being assigned to Knight Global Entertainment, 18 2nd Street North in St Petersburg, FL. The listed contact on the account was J C Harkins.

A computer search of the address, 18 2nd Street North in St Pete came back to Jannus Live where concerts as well as Jannus Live TV show featuring Matt "spice boy" Loyd, is filmed.

On 08/20/14 MPO Miller and I responded to Janus Live and met with office manager J C Harkins. I informed Harkins that I would like to speak with him concerning the IP address in question. Harkins told me that the IP address is used on the third floor in an area where several of the Jannus Live show workers use. Harkins informed me that on the night of 05/17/14 a group called "Soul Circus Cowboys" was performing.

I informed him that I would like to speak with Matt Loyd and his cameraman, Josh Vozda.

Harkins contacted them and they agreed to meet with us in the business's office.

Josh Vozda arrived within a few minutes. I explained to Vozda that a twitter account had been created on 05/17/14 at 11:06 PM from the business using the handle Joshisintheity. He denied having any knowledge of the Twitter account and stated that he hardly ever uses the third floor office. He believes that on the night of 05/17/14 he left immediately after the show which would have ended at 11:00 PM.

Approximately twenty minutes later Matt Loyd arrived. MPO Miller, J C Harkins, Matt Loyd and I sat down in their conference room.

I informed Loyd that I was conducting an investigation that involved a Twitter account created on 05/17/14 from an IP address at the business and that this Twitter account has been used in possible criminal activity. Loyd denied knowing anything about it. I informed him that the account was opened using an email of radiomanflavor1970@gmail.com and that I thought it was him do to him being in radio, radioman, and his nickname being spice boy. flavor

Loyd stood up and asked if we could speak in private.

MPO Miller and I followed Loyd into a side office. Once in the office Loyd stated, "ok, I created that twitter account, where do we go from here?"

I asked Loyd why he would go to the trouble of creating a fictitious email and then using the email address to create the twitter account. He responded by saying "I didn't want him to know it was me. I wanted him

to squirm. He is a very bad man and has a lot of connections, even in law enforcement. I have seen him make a phone call and people get arrested."

I asked Loyd where the DVD was. He stated, "I don't have it. I made the one in the picture from a blank disc and wrote on it."

I informed Loyd that Clem identified the DVD in the photo as being his, with his handwriting

Loyd stated "I made the one in the picture. I took a blank disc and wrote on it with a sharpie"

I asked Loyd how he knew Clem was missing a DVD with [REDACTED] on it. He stated, "everyone knew [REDACTED] and ex-wife's sex tape was missing"

I asked Loyd how he came up with the date on the disc. He stated "I just made it up".

I informed Loyd that the date was significant because that is the exact date the stolen DVD was made

Loyd then stated "I am just trying to focus on my family and put this all behind me"

Loyd admitted to creating the Twitter account and sending the messages to Clem, along with the photo of the DVD. Loyd stated that the DVD in the photo was just a blank one he made to look like one of Clem's missing DVDs.

I informed Loyd that Clem identified, from the tweet photo, the DVD as being his. Loyd denies taking any of Clem's DVDs and insisted that he made the one in the photo

Loyd said he did this as a prank because Clem is always talking bad of him in the media and on the radio.

Loyd swore that the statements he made to us were the truth.

On 12/26/14 I contacted Clem and informed him of the status of his case. I informed him that I would like to obtain some handwriting samples of his and we agreed to meet on 12/31/14 at 1100 hours, at his office, 5021 W Nassau Street in Tampa.

On 12/31/14 I met Clem at his office and swore him in. Clem informed me that during the course of his divorce, his ex-wife Heather Clem had made references to the sex tapes she had made with Terry Bollea. Hogan [REDACTED]

Clem was concerned that she would release these videos to the public and removed them from his home. He stored them at his studio, 5025 W [REDACTED] lemon St in Tampa.

In March of 2012 his business moved to their current studio at 5021 Nassau Street in Tampa. During the move he distinctly recalls the Hogan [REDACTED] DVDs being in a box along with numerous other DVDs, CDs and headphones. This box was moved into an unoccupied upstairs office. The rest of the upstairs was unfinished. None of the employees at that time utilized the upstairs.

Clem stated that the Hogan DVD had been in a round DVD case. The type that holds multiple discs.

He stated that the [REDACTED] DVD had been in it's own individual clear plastic case and that the [REDACTED] DVD was in a separate case similar to the Hogan case.

Clem said he realized the DVDs were missing once a video clip from the Hogan recording showed up on-line. Clem said he went to the box upstairs and noticed the only things missing were the sex tape DVDs.

Clem stated "you can't have one of the discs without the others".

Clem provided me with (6) discs that he had previously written on with a Sharpie. The handwriting appears to be the same as the handwriting on the DVD in the photo Loyd tweeted to Clem.

Clem informed me that the FBI had conducted an investigation involving the Bollea DVDs and he thought that case was over.

Clem desires to prosecute anyone involved in the theft and illegal use of his property.

I contacted the Tampa FBI Field office regarding the Bollea DVD investigation and was told that Special Agent Shearn was the lead Agent.

I then contacted Agent Shearn who informed me that he had conducted an investigation regarding the Bollea sex video and the US Attorney's Office declined to file charges. I informed Agent Shearn of my investigation and the admission from Matt Loyd.

Agent Shearn told me he would have to speak with the Assistant US Attorney to obtain approval before discussing the case with me.

On 01/15/15 I was contacted by FBI SA Jason Shearn. He informed me that Assistant US Attorney Sweeney had authorized him to provide me with non-grand jury subpoena information reference the case. SA Shearn informed me that the FBI obtained the original DVDs during an operation. The operation was the result of an extortion involving Matt Loyd, attorney Keith Davidson, and Lori Burbridge. During this operation the original DVDs were delivered by Lori Burbridge, a female associated with Matt Loyd, via an attorney named Keith Davidson. SA Shearn and I made an appointment for 1/20/2015 at 1330 hours to review his case.

I contacted Assistant State Attorney Division Chief Matt Smith to discuss my investigation and informed him of the FBI's closed case which was related. ASA Smith agreed to accompany me to view the case at the FBI office.

On 01/20/15 ASA Division Chief Matt Smith and I responded to the FBI Pinellas office. SA Shearn showed us the original DVDs that he was currently holding as evidence. The DVDs were delivered by Lori Burbridge during a controlled transaction on 12/14/2012. The DVDs were in a black and silver hard case. Inside the case were several DVD sleeves. There were three DVDs total. One was labeled HOGAN 7/13/07, another was labeled HOOTIE 7/3/07, and the third was labeled HOOTIE with no date.

ASA Smith, SA Shearn and I viewed the DVDs and noted the following:

Disc marked HOGAN 7/13/07 contained Heather Clem and Terry Bollea engaging in sex. Bollea does not look at the camera. The camera appears to be on a high ledge in the master bedroom behind a plant. There is no discussion about them being recorded.

	<b>TAMPA PD</b> <b>GENERAL OFFENSE HARDCOPY</b> <b>COPY FOR THE GENERAL PUBLIC</b>
GO# 2014-332377 EXCEPTIONALLY CLEARED	2100-8 EXTORTION

The disc marked HOOTIE 7/3-07 showed the camera to be in the same location as the previously mentioned disc. Bollea and Heather are standing next to the bed, Heather is topless and facing Bollea as Bubba walks into view and comments about a scratch she has on her back. Bubba then leaves the room. Bollea and Heather engage in sex.

I reviewed the case reports and noted that on 10/16/2012 Atty. David Houston and his client, Terry Bollea, meet with the FBI at the Pinellas Office. Houston informed them that he had contacted Clearwater PD and the St Petersburg PD reference the filming of his client. He was told that the filming was "out of statute" and was encouraged to contact the FBI.

The FBI then began their investigation which lead to recorded phone conversations, a recorded operation to purchase the DVDs, and interviews. SA Shearn provided me with copies of the recorded phone calls and the recordings made during the transaction to obtain the DVDs.

I listened to the recorded phone conversations between Keith Davidson and David Houston which were provided by the FBI. The following is a summary of each call:

11/27/12 call  
They have a discussion of the agreement and the uses of names.

The following is a summary of the 12/14/12 transaction recordings provided to me by the FBI:

I reviewed the FBI reports and noted that on 12/14/12 Lori Burbridge, in a post Miranda interview with the FBI, stated that she was instructed by Atty Keith Davidson and Matt Loyd to say she and "Mr. X" (Matt Loyd) were the ones who leaked the Hogan clip to Gawker in order to complete negotiations with Bollea and his attorney

Burbridge says Loyd leaked the stills to THE DIRTY COM which did not create enough buzz in the media.

Loyd, who possessed the tapes, contacted TMZ, who in turn put him in touch with Atty Keith Davidson.

Around this time a clip was leaked to Gawker. Carrega (Loyd's wife) contacted Burbridge and explained that Loyd had the Bollea sex tapes and was actively trying to sell them. Burbridge was asked to become involved in exchange for \$10,000.00 compensation.

Burbridge states that on Veteran's Day 2012 (November 11) she went to Loyd and Carrega's house for a conference call with Atty Davidson. Loyd and Carrega had Burbridge view all three videos. While viewing the videos Burbridge and Carrega took handwritten notes.

Burbridge states that on 12/11/2012 Loyd and Carrega came to her work, Bank of America, to review the Settlement Statement.

Burbridge says that on 12/13/2014 Loyd, Carrega, Davidson and her go to dinner at Ceviche's in St Petersburg prior to the settlement meeting. She questions the legality of what they are doing and Atty Davidson brags about handling several similar cases.

Burbridge said that in preparation for the 12/14/2012 settlement meeting Loyd gave her \$200 to rent a car in case someone followed her after the meeting. Burbridge was instructed to return the car to the airport and not at the location she rented it from. Carrega was to pick her up at the airport.

Burbridge said she was to receive \$5000 as partial payment for her involvement which she was to pay towards her repossessed car. The remaining \$5000 was to come from Loyd.

Burbridge stated that Loyd leaked the clip to TMZ and was paid \$8500. To remain anonymous Loyd had Burbridge sign the tax form for the money and was told that Loyd and Carrega would help her with the taxes on the income.

Burbridge said she received a TMZ check, via Fed-Ex, that she deposited into her bank account. She then got an \$8000 cashier's check made out to Matt Loyd.

Burbridge said she received a total of \$500 for assisting Loyd with the TMZ transaction.

Burbridge stated that "Janerro" was the name Loyd used when dealing with Gawker.

Burbridge states Loyd and Carrega used multiple fake email accounts, potentially Gmail, to converse and deal with media sites regarding these tapes. Once used, they would shut them down to avoid being traced.

Burbridge states Bubba Clem has nothing to do with the leaks or sale of the tapes. She said Loyd is afraid of Bubba and is afraid of him finding out he was selling the tapes.

On 12/17/12 Burbridge was called by the FBI. She informed them that she rented the car for the transaction with her debit card at the Enterprise Car Rental near Webb Road and Hillsborough Avenue. She says she was reimbursed by Loyd.

Burbridge informed the FBI that Loyd and Carrega deposited the cashier's check into their son, Jayden Carrega's, account.

She stated that she has not had contact with either Loyd or Carrega.

On 12/20/12 Burbridge calls the FBI and informs them she found her hand written notes from the Veteran's Day meeting with Loyd and Carrega. She says she had watched the videos on Loyd's MacBook computer.

On 01/22/15 I called Burbridge who agreed to meet with me at her residence TPD MPO D. Miller and I met with Burbridge at 1825 hours. I informed Burbridge that I would like to talk with her concerning the transaction she had participated in regarding some DVDs. She said she thought that was over. I informed her that I was working a case where another one of the originally stolen DVDs had surfaced. She was concerned that she needed to get something in writing to protect herself from being prosecuted. She said she should have done that earlier when dealing with the FBI. Burbridge has two children, one 10 years old and one 4 years old. The younger one kept interrupting our attempts at talking and it was agreed that we would meet the following Tuesday when she is off work and her kids are in school.

On 01/23/15 I provided Burbridge an Investigative Witness Subpoena issued by ASA Division Chief M. Smith. Burbridge accepted the subpoena and agreed to meet as requested.

On 01/26/15 I was informed ASA Smith that Burbridge had sought council and the interview would be postponed.

On 02/03/15 at 0900 hours Lori Burbridge, her attorney David Weisbrod, ASA M. Smith and I met at the State Attorney's office for the purpose of conducting an interview of Lori Burbridge. A court reporter was also present and recorded the interview. The following is a summary of the interview.

Burbridge stated that Tasha Carrega, Matthew Loyd's wife, and her have been friends for years. Regarding the transaction from 12/14/12, Tasha called her and told her they had the tapes with Hogan to sell. They had already obtained Davidson as their counsel for the exchange. She believed that Davidson was referred to them by someone from TMZ. Tasha asked her to be the person trying to sell the tapes. Burbridge said she went to Tasha and Matt's house and watched the DVDs so she would have historical info to be able to present herself as the seller. She remembers watching the videos on Matt's MacBook laptop. She said there were (3) videos and thinks they were in folders on the laptop. She said the only time she actually saw the discs was the day everything happened, when she met Hulk and his attorney. She said that while they are watching the videos Matt is the one pulling up the videos to view. Matt had told her she would get \$5000.00 for her part. Burbridge said they were watching the DVDs in preparation to speak with attorney Davidson. Burbridge said a speaker phone call with Davidson was then made, Tasha and Matt were present. Burbridge remembers Davidson stating that she needed to say, and he included in the contract, that she was the one who sold the video to Gawker. If they didn't the whole deal possibly would not go through. Burbridge said it was pretty clear that Davidson knew they hadn't leaked it to Gawker. They discussed how Matt obtained the tapes and he came up with a story about purchasing them at a Bubba yard sale. Davidson did not like that story and suggested they instead bought a laptop with them on it. Matt had explained to her that there were copies going the station and that is how she thought he obtained them. Burbridge said that once the contract was written Matt brought it to her work for her to sign. At that time she was working at the Bank of America on Hillsborough Ave in Tampa. Burbridge said she was not involved in the actual TMZ deal. She said that was all Matt. Tasha had called her and asked her to receive the money.

since they were trying to keep a distance from their names. Burbridge recalls the TMZ check as being \$10000.00 written in her name. The check came to her in Brandon by FedEx. She cashed it and gave Matt a cashier's check. Matt paid her \$500.00 for her part. She said the purpose of leaking the clip to TMZ was to build up interest. She believes Matt became involved with Davidson through TMZ. Davidson told them if they did not claim to be the ones to release it to Gawker the deal they were working on would not go through. Burbridge recalls meeting with Davidson, Matt, and Tasha the day before the transaction at the Ceviche restaurant in St Petersburg. During this meeting Davidson said he had brokered other sex tapes with celebrities that could have put them in a bad light, such as Kanye West. Lori said the day of the transaction she met with Davidson at the Sand pearl Resort in Clearwater. Davidson told her that the car was out of the bag and that they knew she was not Mr. X but they would say she represents someone who they are going to call Mr. X.

Burbridge stated that she spoke with Matt Loyd prior to this interview. She told him that I had mentioned the DVD he tweeted to Bubba. Burbridge said Matt told her he was trying to make Bubba sweat. He told her he worked for Bubba for years and he can forge his handwriting. He told her he posted it on Twitter.

At 1400 hours a telephone conference call was conducted at the State Attorney's office with David Houston, the attorney for Terry Bollea. Houston stated that Davidson clearly indicated the tapes were stolen. He said Gawker was aware of Matt Loyd's activities. Houston informed us that there was a civil trial against Gawker set for 7/6/15. Houston agreed to contact Bollea so he could be interviewed.

On 02/04/2015 ASA Division Chief Matt Smith and I responded to 5021 W Nassau Street to meet with Bubba Clem. ASA Smith contacted Clem's attorney, Diaco, who agreed to the interview. We met in Clem's personal office with the door closed. Clem was introduced to ASA Matt Smith. Clem was informed that there were some additional questions regarding this case. Clem was asked about a "Bubba Yard Sale". Clem said that he has had four previous "Bubba Yard Sales" during which he sells different items from the show and donates the money for charity. Clem said he has heard allegations that the leaked videos were purchased at one of these yard sales which he says is not true.

Clem was asked if he has had any involvement with Tony Burton of the Buchwald Group. Clem stated that he never has, but he knows that Burton is Mike Calta's agent. He also said that Howard Stern had been represented by the Buchwald Group.

I asked Clem why the sex tapes were such a big topic of his divorce mediation with Heather. Clem said he had a pre-nuptial agreement with Heather which did not leave her with very much.

Clem was asked if Bollea knew he was being recorded in the sex tapes. Clem said "no, he did not know he was being recorded".

Clem said the recordings that he knew of involving his ex-wife Heather and others were, Hogan, [redacted] Clem said when he received the DVDs from Heather he did not look in the bag and take an inventory. He said he just put the bag in his desk drawer.

Clem confirmed that his employee "twenty five cent" is Broderick E. Epps. Clem said that Matt Loyd and Epps used to be very close friends. Clem does not believe that Epps had anything to do with the sex tapes being stolen or exposed.

I asked Clem if he had shown the sex tapes to anyone and he said no.

	<b>TAMPA PD</b>
	<b>GENERAL OFFENSE HARDCOPY COPY FOR THE GENERAL PUBLIC</b>
GO# 2014-332377 EXCEPTIONALLY CLEARED	2100-8 EXTORTION

I also asked Clem if Loyd or Calta had sex with Heather. He said no.

On 02/06/15 I met with Broderick Epps, also known as "twenty five cent", at the studio on Nassau Street in Tampa. Epps was sworn in and stated the following: He currently works on Bubba's radio show as an on air personality. He had previously worked on the Bubba show from 2005 until September of 2012 when he quit due to a conflict between him and Bubba. Epps said he and Mat Loyd, also known as "spice boy", worked together on the Bubba show until Loyd got his own show. He said Loyd was always looking for "dirt" on Bubba to use on his show. Epps said he had never seen sex videos with Bubba's wife and does not remember Bubba ever saying he had them prior to them being exposed.

I subpoenaed the phone records for Matt Loyd's known phones which showed that from 3/7/12 to 10/16/12 he had 38 calls with Mike Walters from TMZ.

I made several attempts to contact Mike Walters of TMZ, which were unsuccessful.

I subpoenaed and obtained phone records from both Matt Loyd's and Keith Davidson's phones. The records show they made 35 calls to each other between 10/10/12 and 12/14/12, the day of the FBI operation. The records show they had no contact after then.

Burbridge's and Carrega's phone records were also subpoenaed. The records confirmed that phone calls referenced in interviews were made.

On 01/21/15 I met with Agent Shearn who released the following items of evidence to me:

- (1) Silver box containing (3) DVDs
- (1) Check made to Keith Davidson from David Houston for \$150,000
- Settlement Agreement signed on 12/14/12

On 03/12/15 I delivered the silver box containing the (3) DVDs to TPD print examiner Thomas Gonzalez for processing. Two of the DVDs had print evidence positive for ridge and were submitted through AFIS receiving negative results.

On 04/16/15 I called Mike Calta and left a phone message. My message was returned on 04/21/15 by Calta's attorney, Dominic Fariello. We made arraignments for Calta and me to meet the following morning at

	<b>TAMPA PD</b>	
	<b>GENERAL OFFENSE HARDCOPY COPY FOR THE GENERAL PUBLIC</b>

Fariello's office in Tampa. I received a call, later that same day, from Fariello who said Calta would not agree to meet.

On 05/12/15 Tasha Carrega, Matt Loyd's wife, was interviewed at the Hillsborough County State Attorney's office. Her attorney was present along with ASA Matt Smith and a court reporter.

The following is a summary of her interview: Carrega stated that she was married to Matt Loyd on 6/22/13. She said she has been "best friends" with Lori Burbridge since High School. When asked how she became involved with the Bollea sex tapes she stated that Loyd and she were at a Bubba yard sale in 2010 or 2011 where they purchased a Rocky DVD movie box set. Approximately (2) weeks after the purchase they went to play the Rocky movies and discovered the sex tapes inside. She recalls there being 4 to 6 DVDs. Carrega stated that she did not recall much about the tapes. I asked her if she recalled viewing the videos and taking notes. She said she did not recall. I showed her a copy of her handwritten notes depicting the content of each video. She then acknowledged it was her handwriting but did not recall why she wrote them. She did not recall conversations, phone calls or meetings regarding this case. Carrega stated that she was at the West Shore mall in Tampa with Loyd during the 12/14/12 transaction. She said Loyd received a text message from Davidson saying "raided, need legal representation".

On 06/16/15 Detective Kirlangitis and I met with Terry Bollea at his residence. I informed Bollea of my current investigation and informed him that the DVDs involving him and Cole had been stolen at the same time as the one tweeted to Clem by Loyd. Bollea was asked if he desired to proceed with prosecution for the Extortion. He said he was interested but would need to confer with his attorney.

On 07/16/15 Detective Kirlangitis and I met with Patrick Fowler, aka Tuddle, in the TPD CIB conference room. Fowler swore to tell the truth and stated the following. Fowler currently works for Clem on the radio show. He remembered that sometime in 2012 Loyd and Calta were watching something on a desktop computer at Cox media group's office in St Petersburg. He said they were laughing and making voices to try and sound like "Hogan". Fowler said he went over to see what they were watching and it was a video of "Hogan" and Bubba's then wife having sex. He stated that he only watched for a few seconds but he remembers the computer monitor as having a smaller window where the video was being played and the desktop screen background with icons behind it. He did not see any disc and did not know if what he was watching was the clip from Gawker or from some other source. Fowler said in his opinion anyone with I-movie on an Apple device could have created the clip he saw on Gawker.

During the video of the FBI operation on 12/14/12, Lori Burbridge acknowledged viewing all (5) videos involving Clem's wife which would have included the video. This statement, along with the statement of Carrega confirms that Loyd had been in possession of the DVDs stolen from Clem.

Matt Loyd's phone records confirm calls to the media outlets attorney David Houston say he was contacted by.

Matt Loyd's phone records show he initially contacted attorney Keith Davidson and call blocked his number.

	<b>TAMPA PD</b>
	GENERAL OFFENSE HARDCOPY COPY FOR THE GENERAL PUBLIC

Ceviche and Sand Pearl were subpoenaed and provided transaction records confirming Davidson was at both the 12/13/12 Ceviche meeting and that he stayed at the Sand Pearl resort.

Enterprise car rental was subpoenaed and provided the rental agreement for the vehicle Lori Burbridge used during the Sand Pearl meeting.

Conclusion: Matthew Loyd stole several sex tape DVDs from Bubba Clem's office building. He then shopped clips of the Hogan DVDs to build interest, selling to TMZ, and concealing his identity by having Lori Burbridge accept payment for him.

Mathew Loyd then contacts attorney Keith Davidson from California to engage in the extortion of Terry Bollea. At the time of this contact and throughout the negotiations Davidson is suspended from practicing law by the California Bar.

Davidson translates the necessity for Bollea to purchase these videos to Bollea's Attorney Houston via FBI recorded phone conversations. Davidson's only option to keep from exposing the multiple videos and the damaging content is to obtain payment which starts out at \$1 Million. Davidson also acknowledges that his client obtained them from his former employer without that former employers knowledge. Davidson assisted Loyd in coming up with a more suitable story as to how the videos were obtained. He also instructed Loyd they would have to admit to the Gawker leak or the deal may not go through.

On 10/08/15 ASA Matt Smith and I met with State Attorney Mark Ober, Chief Assistant State Attorney Mike Sinacore, Felony Bureau Chief Chris Moody, and Chief of Investigations Mark Cox. The case was presented to them and they are determining prosecution for Conspiracy to Extort and Dealing in stolen property. It was determined that the Statewide Prosecutors Office would review the case to determine jurisdiction.

On 11/10/15 I met with Statewide Prosecutors Nick Cox and Mike Williams this case was presented to them for consideration of prosecution. Statewide Prosecutor Cox stated that he would speak with his superiors and get back.

On 11/13/15 I was informed that the Hillsborough County State Attorney's Office as well as the Office of the Statewide Prosecutor declined to prosecute or file charges in this case.

Therefore this case is EXCEPTIONALLY cleared.

Damn Bubba, the good ol' boy network screwed you over big time.

I didn't think Spice was this much of a back stabbing dick until now.

I hope Spice gets what's coming to him, he deserves it!

Hopefully when this is all over you and Hootie can be friends again :)

If this comment makes it on the site, I think it will be one of the first as I caught you mention one of the domains you purchased on the November 17th terrestrial show.

This is ultimate Bubba vindication!!! Notice how Calta hasn't even tweeted about any of this??? Matt "Spiceboy" Loyd is a complete lying, scumbag, extortionist, thief.

I can't wait until Bubba can prove Calta's definitive involvement. Hopefully today that happens!

Spice boy had to know what it was when he stole it. My question is, how did he know what was on the dvd when he took it. Did someone show him the DVD prior to him stealing it. Either way he should be held accountable for his actions. A lot of people have suffered over a 8500 dollars..

Nice to know that your personal property can be stolen and then used via the internet to extort money and destroy professional careers with no repercussions or legal consequences. This opens the door for more scumbags to try and blackmail, extort, destroy careers and lives.

The take-away to be learned from all this to all the Bubba's Haters out there on twitter- just be aware that your fictitious name or moniker is traceable back to your IP, your place of work IP or whomever IP address you think makes you all invisible. Stop harassing people and stop believing everything you hear on Radio. Radio is entertainment and "Bits" to pull in listeners. Duh!

Wow Spice really had it out for you. He brought his wife Tasha right down to his level. They went to great lengths to cover their tracks but when you're a lying thief it'll catch up with you. Glad this is all out there now and I hope you and Hogan get your justice.

One more thing... How do you let your wife (if you really love her) sleep with other men? I would never approve of letting my significant other sleep with anyone else.

It seems clear to me, that Matt lied to the cops at the beginning. That in itself is a crime and prosecuting it would be simple based on the information included in this document. Clearly Ober could slam dunk on all the charges if he wanted to, to be sure Matt loyd would at least take a plea and its a shame that he will skate on this.

How could anyone, after reading this, believe Cowhead and spice weren't colluding to ruin bubba and take over his career? The lengths matt loyd went to to destroy bubba, not to mention Hootie, is unbelievable. This will be a major injustice if these "keystone " criminals aren't prosecuted... this is no different than a disgruntled employee trying to burn down the business. ... that's what spice was trying to do ,effectively, and he needs to do time for it.

This is the problem with our judicial system. Too much cronyism! There is nothing that is fair and balanced. There is tangible evidence that there was a crime committed, but because of prejudice towards Bubba, No charges were filed.

WHAT? If this had happened to anyone else they would be serving time by now. There needs to be some serious consideration to have an investigation launched in the officials that were elected by the people. Where are the checks and balances. The prosecutors that took an oath need to be held to task!

Clearly, Spice has placed himself in an actionable civil position. Highly suspicious as to why "legal law enforcement" won't prosecute. It's time, we the people, hold up the hammer at this trying time and swing it, no pun intended. I find the Calta factor and seeming involvement interesting and look forward to how this is played out. Can you provide the phone numbers, addresses, and info for our state representatives??? I would like to get some of them to answer why this non-prosecution is being allowed and why we should feel protected as citizens from such offenses happening to us? As an American tax paying, small business owner I am appalled at our judicial system. Where are the consequences? This is extortion. This is black and white, hands down, no question, extortion. I am sickened by the lack of justice and the lack of consequences. What kind of precedence does this set? What can we (the people) do to demand consequence? Seriously. Ober needs to go!!

November 19th, 2015 at 9:24 am

Mr. Todd Alan Clem: your entire life has been dedicated to being a complete jerk and tormenting others and now you are crying non stop when a little bit of karma has caught up to you. You are such a hypocrite; you make fun of the only people that even support you anymore...white trash, you are basically an infomercial always trying to peddle some of your "merchandise" or your so called racetrack. I happen to know that for the 2013-2014 school year, you, or rather your kid had the LARGEST outstanding school lunch non payment account in all of Pinellas county! Highland Lakes Elementary's principal was paying for your kid's meals!! Also, his address on Hunter place, nice touch. I await the day when your kid realizes he has used you for all you can do for him and disowns you as a parent. Instead of the same hackneyed, repetitive material you are so famous for, something that would cause a ratings bonanza, have an on air, slow and painful heart attack or stroke and ultimately drop dead.What a weight would be lifted from society...literally!! Keep up the whining!! It only solidifies your desperation.

Isn't there anything the people of Hillsborough County can do to put pressure on Ober to prosecute this matter? Criminals cannot just get away with this crap! What is this? The wild, wild west? If this happened to me, I would be insane. Ober is a corrupt official who apparently thinks he is God. Not true! Spiceboy is going to go down sooner or later. Hope his wife suffers, too. I can't wait to see this all happen. Bubba, be patient and you will win the war. You have people on your side. Justice may be slow, but it will come.

75. **Jill**

November 19th, 2015 at 10:21 am

This is totally "Atlas Shrugged". The people that work so hard are thrown to the bottom, careers are ruined and the government and its corrupt officials are greasing the palms and pathways for the parasites that live in our communities. I am so glad Bubba gets redemption! This should be a wake up call for Florida law enforcement- they need to get these unethical people out of the leading positions in the administration. I live in Ocala and my family and I personally enjoy the Bubba Race Track and as far as I am concerned he is a pillar in my community. I don't see the Mark Ober Speedway or any of his community involvement. These government officials should be required to have community involvement and have reality checks every now and then, instead of just taking tax payer money and having no consequences. It should not matter who was the victim- this case should be prosecuted at every level. Thank you BRN for shedding light on this scandal- as Americans we need to be more proactive-even though scum like these government officials are keeping us down and continually victimizing us!

Cases like these are why nobody believes in the justice system. How in the world can you clear Spice of what he did? This is a clear cut case and it just shows the hatred people have of Bubba.

79. **Brent**

November 19th, 2015 at 10:46 am

You gave this little piss ant everything he had including the skills to support himself and his family and this is how he shows his appreciation? He shows everyone exactly what kind of man he is and how far down the shady rabbit hole he is willing to go to screw over someone that has done so much for him. Take note current and future employers because its only a matter of time before the shoe is on your foot !

80. **Oleg**

November 19th, 2015 at 10:49 am

I'm from Russia and even here with a report like that spice would go to jail with Mark Ober said to say that the justice system sucks in USA

81. **Tom**

November 19th, 2015 at 10:56 am

Why don't you turn this over to Morgan and Morgan. He surely has some influence within the good old boy network. Why didn't you just destroy the DVD when you feared that it would be released?I know hindsight is 20-20

84. **JG**

November 19th, 2015 at 11:07 am

If individuals do not like Bubba or his radio show, do not listen, it's that simple. Do not come to a website that is pure Bubba Army and start bashing; I never will understand that. I like Bubba, there are times when he does drive me crazy but I just turn the channel. Again, it's that simple. I think what Matt did is extremely unfortunate for him, his wife and his family. Makes him look really bad; low and

desperate in fact. It is against the law to extort anybody – David Letterman had the same issue and his extortioner did community service and restitution. There should be some accountability. I hope it works out for you Bubba! Best of Luck!! Steve Reynolds, Mike – ?????? Don't listen, don't comment :) Your life will be much better without the distraction!!

85. **John**

November 19th, 2015 at 11:07 am

I'm thinking that the "victims" in this situation should join together and see to it that Matt Loyd never makes a cent that he gets to keep again. Hootie, Heather, Bubba and the whited out blacked out names in the document as one team to sue him for every penny that Matt ever makes in the future. Donate any money he ever makes to charity and make some good out of all of this..

86. **Chris G.**

November 19th, 2015 at 11:08 am

I still can't get how Florida residents aren't up in arms about the total disregard to the taxpayer's money that has gone for absolutely nothing. The money and resources that go into any investigation over a 18 month period is insane and for the Attorney General to just decide he is above the law and can circumvent the law and citizens of Florida is absurd. The Attorney General should be relieved of his office for blatant disregard to holding up the integrity and duties of his office.

87. **Chad**

I liked spice on the show, knew he had some issues but wow! didn't know he was such a vindictive lowlife. He's a criminal and a sociopath. May not get jail time but i hope he gets what coming to him, one way or another.

89. **Tommy**

November 19th, 2015 at 11:21 am

Spice was smart, he knew Bubba is a huge cuckold. Bubba had the hogan tape that spice stole, but he also stole another high profile tape;or 2. The tape that made the feds drop the case, is the tape keeping spice from doing time. Spice knew that the other high profiler that banged Bubba's whorewife would keep him in the clear. The karma is that bubba is the ultimate victim. Bubba next time you tape your wife fucking people, keep the government officials off tape.

90. **mr.florida88**

November 19th, 2015 at 11:32 am

91. **penguintruth**

November 19th, 2015 at 11:34 am

I've always been more of a Stern fan than a Bubba guy, but I used to listen to Bubba on Sirius when he was on (too bad they didn't pay him jack. Spice Boy's shadiness was always on display in the show, but I didn't realize he was such a traitor and a snake. What a total betrayal.

Works, gimmicks, rattlers, dark match willies, marks, shoots, I miss all that lingo. Reunite with Howard in the future, Bubba.

92. **Theresa**

November 19th, 2015 at 11:36 am

All I have to say is that your true fans believe you, follow you, and don't listen to anyone else. Spice Boy bit the hand that fed him. Karma is a beatch. Love the radio crew, Nikki, and even B-Fudd. You guys rock and I get withdrawals on the weekends. Love to have a night out with Nikki and Jabberjaw and not in the homo way!!! lol

How do we put pressure on Ober? You have an army, use it.

**96. Anonymous**

November 19th, 2015 at 12:28 pm

Whining and bitching on the air will get you no where. I advise you to use alternative methods of persuasion. Many times, credit for discoveries and raids performed by online groups are the work of a few people, sometimes only one. It doesn't take a genius to track down Matt's activities online, although your detectives warrants helped out quite a bit.

Now you need to find a way to make these government officials respond to you. Nothing illegal is needed; once they feel that people are catching on, they'll start switching faces. You need to make a big bang, and if anyone can do that, its you.

Otherwise, you'll be whining for weeks while nothing gets done. As usual. This may just be personal for you, but as a Floridian, I see it as a way to bring down another corrupt government official. It's not often we have someone so suited for the job on our side. Do us all a favor.

**97. D Hope**

November 19th, 2015 at 12:30 pm

If it helps Bubba you should read on the current Federal case that started this week in San Francisco (where i live) regarding extortion and corruption in our local goverment and state level.

Google Shrimp Boy Mayor Lee San Francisco. In short the Federal government has proved and indicted 19 people mainly politicians and the case all goes back to our Mayor being involved and he has gotten off basically from political favors.

Bubba please read and you could share it on the air. Maybe this will help through all this an not feel alone in the world of corruption.

Love the show.

**99. Leena**

November 19th, 2015 at 12:46 pm

Bubba I am a fan- BUT you should have never pushed the record button. I don't think handing your wife over to your best friend shows respect for the women of your child. Nonetheless, she showed no respect for herself. Sadly,Tyler will know of ALL of this.

**100. Chris**

November 19th, 2015 at 1:10 pm

Wow, Bubba, you are an idiot for not hiding those dvd's or putting them in a safe place. Makes me think you didn't care too much about them getting out or Spice maybe beat you to the punch. Hopefully you aren't that big of a scumbag. Spice obviously is... what a pathetic fucking weasel that guy is.

**106. Mac Davis**

November 19th, 2015 at 2:29 pm

And Calta is CRICKETS.... No tweets about Spice that I've seen. Please tie him into this as soon as possible Bubba.

#BUBBARMY

107. **Kurt**

November 19th, 2015 at 3:11 pm

What kind of fag let's his friend bone his wife. You're a real winner. All the crap that comes with that is on you and that bitch Bollea. I stopped listening to you when that stuff went down. Hey, I'm into some kinky stuff but that's messed up. I'm kinda hoping you're of the air completely soon

Ive got it all figured out. Tasha-matt and ober have eiffel towers together with matt in front on his knees-ober standing and tasha behind with a big ole dilzildo! Seriously-ober should be impeached or criminally charged himself , and matt should obviously be in prison already. This is a sham and tramples all of our civil rights and if i were u bubbba, id take this as far as i could til the day i died. Use ALL of ur connections please! I would be so fn MAD!! I AM MAD! Those evil sob's!

110. **Loyal To A Fault**

November 19th, 2015 at 3:52 pm

Hopefully this brings about some justice for you and your show, Bubba. I don't, AT ALL, agree with what you did; however, we are a country run by laws that must be followed. Once we get to the point that people are picking and choosing which laws to follow or prosecute, we head down a VERY slippery slope. These officials are no better than the people they work against on a daily basis.

FIGHT THIS WITH EVERYTHING YOU'VE GOT! We've always got your back big man. #BA4LIFE

116. **Steve - Tsawwassen BC**

November 19th, 2015 at 6:47 pm

Holy crap this really reads like a movie of the week! Been BA since 2006 and can honestly say I always thought that Spice was a whiny little bitch who's only talent was to counter program everything you and the crew would say. His jealousy was obvious to the listeners and it was only a matter of time until that green eyed monster took over and he would do something stupid.

I also have to say it really upset me when I heard the story of your generosity by giving him a gift that should have been appreciated but was instead treated as something to joke about and hold open a door. Fucking asshole.

And finally thank you for saying what I was thinking. Karma, it has a very strange

way of equaling out things in our lives, and sadly a poor young girl was the recipient, when it should have been either Spice or Tasha.

Bubba Army Strong!

117. **Mike**

November 19th, 2015 at 6:48 pm

I am completely dumbfounded to see how much overwhelming evidence, so much that it leaves nothing to the imagination. prosecutors who are in a position that requires them to be impartial and only look at the evidence at hand, and leave personal feelings to the side, and when they make it clear that they don't and there is no repercussion makes me lose faith for a fair shake for justice in this state and it makes it quite obvious that the system has failed you and it is very sad

118. **Ryan**

November 19th, 2015 at 7:18 pm

Love the team you have now. Spice just assholed himself out of the business. I honestly cannot wait to see if a connection to Calta comes up. Mike Calta is an absolute joke who inherited an audience and he's the epitome of a scrub. Please unleash on him. GL guys.

119. **MT**

November 19th, 2015 at 7:38 pm

Bubba, you can't be serious when you sit there and ask "why does this happen to me and why does this person not like me. Every bit of drama that happens in your life is because you create it, you have to know that man! Of course you own your part of THIS drama, you have to, there is no way around it. Maybe I am liberal enough to see how you could let your down in the dumps buddy have sex with your wife (I wouldn't)but my questions are, why tape it? why keep the tape? why transport the tape when you already know that it can bite you in the ass? It's really kind of creepy on your part to think that you would want that tape to even exist. Quit feeling sorry for yourself and feeling like this great injustice has been done to you. You Bubba, created this whole mess.

120. **Jason**

November 19th, 2015 at 7:48 pm

I hope everyone realizes that we elect mark ober into his position. We the voters have the power to elect officials who can perform their duties honestly and without bias. Mark Ober should prosecute all illegal actions and if he won't do his job we elected him to do then we need to elect someone who can!

121. **Lady**

November 19th, 2015 at 7:55 pm

Really!?! Theses Officers spent thousands of man hours, valuable time away from their family, tax dollars paid for SAO & Statewide Prosecutor to drop case!? Even if you hate Bubba, law enforcement did their job but SAO states NO CRIME was committed!? Officers wasted their time?! I think someone needs to answer to the tax paying public. I think it should be SAO! This is why people have no faith in the justice system anymore, this is why they hate cops, not cops fault but they are front line and take brunt, but what does SAO care. Why should they? As long as you are a criminal with connections & money (don't tell me Schnickerdoole doesn't contribute to Oberass campaign! Surprised FBI wasn't paid off)In Tampa, You can get away with destroying lives and criminal activity without you being prosecuted, ESPECIALLY if you say Bubba Sucks. Good job SAO for doing the right thing, hope your are all proud. This shows public it's not about who you know as much as who the head of SAO is paid to hate. After all "Not Guilty does NOT mean Innocent in Tampa, FL" SO GLAD I don't live in Tampa!

November 19th, 2015 at 8:06 pm

Congrats on the redemption. It speaks volumes how you had 25's back and it proved to be the right call. I suppose now we also know who got Hootie canned from the WWE. I hope you guys can patch things up. Reach out to him Bubba, ya know it'll be radio gold.

123. **Kenny**

November 19th, 2015 at 8:55 pm

November 20th, 2015 at 6:39 am

Mike Calta needs to step up and be the "big man" that he is and explain his involvement, or non-involvement, with this. He has had no problem shooting his mouth off in the past- now he has a chance to respond. Where are his comments?

As for that "twink", Spice Boy, what rock is that puke hiding under now? Amazing how everyone goes silent when you present the facts.

Local media needs to step up and start reporting on this, just like they did a few weeks ago when it seemed like they wanted to bury you.

Keep fighting the good fight and thanks for all that you have done.

128. **Nuts2butts**

November 20th, 2015 at 7:10 am

Open and shut case. You need to petition that Mark ober is letting personal vendettas reflect the face of the court system. He should be impeached and stripped of his authority. Matt lyod needs to be tried I. Supreme court. And at minimum sentenced to 2 years imprisonment.

129. **Queen**

November 20th, 2015 at 7:19 am

This is why people don't trust our justice system, we the people need to expose this to anyone who will listen. Bubba I hope you will take this to the next level and expose the "good ol boy network"

Bubba can you post the letters you have sent to SAO and Governors office?  
Best of luck and Fight for your right BIG man!

131. **Scotty B**

November 20th, 2015 at 8:44 am

I love Bubba so let's get that out of the way.

Now, the bottom line (in this case) is that Bubba is probably a bigger scumbag than Spice Boy. I mean 1) the guy let a professional wrestler bang his wife...who does that? A total white trash, dirtball move in my opinion and 2) he recorded the act without the knowledge or consent of either person! I mean how much of a sleaze ball do you have to be to do that.

I personally think these actions are worse than what Spice did. I know that Bubba takes responsibility for these actions, but having done those things and the current Nielson ratings manipulation scandal, I think it is very hard for Bubba to talk about "honesty" as he did this morning on his show when challenging Cowhead to "just be honest with him".

Love Bubba, been listening since 1992, will continue to listen, but have to call a spade a spade when necessary!

132. **GitrdunBrown**

November 20th, 2015 at 9:01 am

Wow. How did he figure he'd get away with that? Use a rental car? Yeah... That'll permanently throw em off the trail. What an ignoramus!!! Mostly it just makes me sad because it really signifies the end of the old bubba crew that I was lucky enough to briefly rub elbows with.

All the best,  
Brown

Didn't you tell Howard that the video was on a hard drive that you had never seen? Sounds like you lied to your radio god and everyone that was listening. Saying spice a liar is calling the kettle black cuzzy

This whole thing is unreal. Does it not set a bad precedent? Matt Loyd committed EXTORTION among other things and is NOT charged??

I will not vacation in Tampa because of Ober. Bubba Army should let Ober and his boss know how we feel.

People that have never had everything they ever wanted don't understand that the more you get the more you need. The show is awesome and Bubba is a radio savant. I've been a fan of his since he did nights on XL in the early 90's and he goes above and beyond in being accessible to his listeners when all he really owes us is a great morning show.

If you don't like Bubba or his show then chances are pretty good you're a real nerd and a hater so why hang around btls.com, RadioIO, Bubba 98/7 or any of the affiliates? I've been harassed by all the clowns on Twitter because of my support for Bubba and it continues to this very day.

Whatever Bubba does in his personal life is on him, I don't care because it doesn't affect me but I can fully understand that what it takes to get him where he needs to be seems strange to those that have vanilla lives.

Continue to pursue whatever means of recourse you have against Spice.

It was no doubt a carefully orchestrated plan by Loyd & Calta to ruin your career, a career they could only wish to achieve.

The Bubba Army is with you. #IStandWithBubba

Spiceboy failed at hosting his own show, and sold himself out for 8K. Hahahahah. its so comical that it almost cancels out the actual making of the sex tape. You can't write this shit. No Top I Pop here Bubba, give that affliction wearing douchebag the deep plizzunge with a full civil gimmick on the backside. If. You. Will.

Wow - I thought Spice was just a counter-programmer on your show, but he was doing it in real life. And a DA like Mark Ober who takes personal prejudices into account when deciding when to press criminal charges is just wrong! He needs to be removed from office - I didn't think things like that still happened! At least Spice is no longer an on-air personality, which seems like all he ever wanted. Everyone involved got the short end of the stick on this deal..except maybe Heather.

How purely stupid do you have to be to MAKE a sex tape in the first place? As a famous person, you REALLY didn't think anyone would ever see them? And, you DIDN'T erase them OR at LEAST lock them up in a SAFE, to which ONLY you have the combination?! You never had an employee backstab you before?! REALLY?! DUH!!!!

Bubba, I apologize that years back I thought for sure you were in on this and jumped on the wagon of badgering you a bit. Like others noted that was your fortay to badger and make fun and thought during this and the trial it was kind of coming back to roost.

Some things u did bugged me, but you also make me laugh. What you did in your private life didn't bug me, it was that I thought you had a hand on turning your back on hootie.

Spice is a POS, I never stopped listening, and I get it. Keep up the fight man and sue his ass. Your personal life is your business and not once did you ever share it ( the sex stuff).

Hang in there and I'm standing by for these guys to pay.
