17 JS: This is Special Agent JASON SHEARN. It's December 14th, 2012, approximately
18 9:35 a.m. DAVID HOUSTON and TERRY BOLLEA in a meeting with KEITH
19 DAVIDSON and his unidentified client.

20 (UI voices in background)

21 TB: (IA) Do you want me to lock it? DAVID and I are about to be sitting here right
22 now going over this document.

23 DH: Yeah sure. Do you want to look at it, really?

24 TB: Yeah I'd really like to look at it.

25 (Sound of movement, footsteps)

26 TB: (UI) they sponsor my show. We have a wrestling show.

27 DH: Mm hm.

1820 everything. (IA) Screw you, you're too old, you're too slow (IA) I called BUBBA
1821 crying like a damn baby. BUBBA came over and stuff and I poured my heart out
1822 to him and he was like ah. I said thanks BUBBA. I'm not leaving you alone and I
1823 just was so distraught (IA) next thing I knew it was hey HEATHER (IA) that's
1824 how I got into (IA) *we're on our way*

1825 KD: And then you know whatever happens (IA)

b6 -2
b7C -2

1826 TB: Well I knew how screwed up the situation was and (IA) and I just remember (IA)

1827 DH: Well one of the things that you constantly brought up to me and I mean which sort
1828 of demonstrates it was stolen is because BUBBA's on there talking about how he
1829 can retire and one of the things TERRY kept asking me was why would BUBBA
1830 be so stupid to give those somebody knowing that he's obviously implicating
1831 himself and, you know, so that seemed to be pretty obvious that somebody had
1832 taken it but when you read GAWKER's explanation it doesn't make a lot of
1833 sense. You know? That's what led me to believe that, you now, that everybody,
1834 everybody knows, including GAWKER, because how could GAWKER buy into
1835 the explanation that so and so bought it at a garage sale and.

I was just standing at the end of the bed and saying 'you aren't recording this are you?' (IA)

1836 KD: (Coughs)

1837 DH: And, really? I mean I, I just can't believe they'd really believe that. I mean do you
1838 have any idea? Cause our, our fight is now going to be with GAWKER and
1839 anything we can get in reference to GAWKER is gonna help us.

1840 (Music plays in background)

1841 KD: (IA) practically speaking and you can never really un-ring the bell.

1842 DH: Right.

1843 KD: And I don't know how many other websites have picked this up, you know, if
1844 they're pulling sites in China or Russia.

1845 DH: Right, oh it's in Europe.

1846 KD: So you'll never be able to get it off so at some point, [redacted] ran into

b6 -4
b7C -4

1847 *the same thing*
1848 [redacted]
1849 [redacted]

1850 DH: Well I think it's more of the, a moral victory to get it taken down off GAWKER
1851 than anything else. And frankly if we were able to ring a bell against GAWKER I

2524 KD: Yeah.

2525 DH: I don't know.

2526 KD: Well.

2527 DH: That's, I, I wouldn't know whether that was BUBBA or the man on the moon, to
2528 be honest with you.

2529 (Cell phone chime sound)

2530 DH: Now KEITH I'm gonna ask you the obvious question. If ah they're playing on
2531 your computer, is it possible through the hard drive to call them back? Sorry but
2532 you're gonna have to throw in your computer.

2533 KD: Yeah.

2534 DH: As part of the deal.

2535 KD: You know I think there is something like that but I, this, this computer is, it's
2536 fingerprint protected and this, no one ever gets this except for me.

2537 DH: Right well and your signature (IA)

2538 KD: (IA)

2539 TB: (IA) better camera set up. You know?

2540 DH: Yeah.

2541 (IA voices in background)

2542 TB: That's definitely me.

2543 DH: Look like it from the back.

2544 KD: Fast forward it?

2545 TB: Yep.

2546 DH: Yeah. That's the end isn't it?

2547 (IA voices in background)

2548 DH: (IA)

2549 TB: (IA) Coast Guard guy.

2550 DH: Where is she?

2551 TB: That's where BUBBA comes in at the end.

2552 (IA voices in background)

2553 DH: That's the one that was released to GAWKER, correct?

2554 KD: You know I don't quite frankly know. And I don't think the entire. I don't think it
2555 was entirely sent, it was just a clip.

2556 DH: Right.

2557 KD: Alright so you leave, she stays.

2558 DH: Where does BUBBA come in on this, is that number two or number three or does
2559 he show his face on this? Okay.

2560 KD: There's one.

2561 DH: Now there's no copies ah with this? As far as.

2562 KD: No this is, we, we believe that these are the originals that met and that no copies
2563 exist.

2564 DH: Okay so in other words nobody has made any copies.

2565 KD: Correct.

2566 DH: That you just don't have. *wouldn't ✓*

2567 TB: I just have a hard time believing that BUBBA ~~would~~ make a copy of this shit.

2568 DH: Well I have a hard time believing that wouldn't make a copy of it, at least to keep
2569 it somewhere in the event something happened to the originals. You'd think it
2570 would be more reasonable that they would make a copy. I mean I'd put one one
2571 place and one another place so in case something happened. I mean they valued
2572 this which they obviously did. And you're sure she's telling, I mean have you
2573 ever asked her KEITH well it makes sense if you've got something valuable like
2574 that you'd make a copy and keep somewhere else or.

2575 KD: No but I, I've never gone that far but I've asked her and like you, look I want you,
2576 we all want you to pass this polygraph.

2577 DH: Right.

2578 KD: So are there any other copies and she said absolutely not. These are the originals,
2579 no copies were ever made and I said so if the polygrapher asks you, cause he'll

2580 just ask you yes or no questions. Is it true that every copy, to the best of your
2581 knowledge, that every copy of this material.

2582 DH: (Coughs)

2583 KD: Is now in the possession of your attorney is that true, she'll say yes.

2584 DH: Do you know where [] stole them from as far as whether he would have
2585 access to the copies if BUBBA had copies at that point?

2586 KD: Um

2587 DH: I mean physically their location?

2588 KD: Nah I, I don't know that. I, I assumed that it was. . .

2589 (IA voices from video in background)

2590 KD: At his office.

2591 DH: Okay so I mean possible that [] access to wherever it was would have
2592 included copies if BUBBA would have had them?

2593 KD: Yes.

2594 (IA voices from video in background)

2595 KD: A little baby wife, huh?

2596 DH: Mm. Nice body.

2597 TB: Definitely me.

2598 DH: Working out.

2599 (IA voices from video in background)

2600 DH: I mean that's a set stage, right there under the candles.

2601 KD: Hidden behind, you know, a plant.

2602 DH: Yeah.

2603 TB: Hm.

2604 DH: Yeah but really it's a set stage, nobody.

2605 (IA voices from video in background)

b6 -2
b7C -2

b6 -2
b7C -2

2606 DH: Normally has their room like that.
2607 (IA voices from video in background)
2608 KD: So I don't think this is the one where he comes in.
2609 DH: Mm. I'd like to be able to at least the more damaging part of the tape with the
2610 language (IA) so I know that's actually on there.
2611 KD: (Clears throat)
2612 DH: Is that ^{or} number two or three? ✓
2613 KD: I thought it was two. Of course these, I don't know if we're playing these in order.
2614 DH: Yeah I was gonna say we all know which is which but.
2615 KD: That would have been the third tape that was undated.
2616 DH: Right, third tape.
2617 KD: That's the one we haven't seen yet.
2618 DH: Okay. Well we can talk to her depending on how well she does on polygraph
2619 TERRY about this copy issue thing and ah you know ask her if she didn't make
2620 copies, why and wasn't she worried about it and things like that, just try to get
2621 (IA) that's all we can do. Cause we get back to that original thing about
2622 not giving a damn about her and that's what worries me.
2623 KD: This is two on it, lasts eighteen seconds, we'll just skip over that one. Right this is
2624 fifty two minutes. This is tape three.
2625 DH: So That's. ✓
2626 (IA voices from video in background)
2627 DH: Here's BUBBA.
2628 (IA voices from video in background)
2629 KD: (IA)
2630 (IA voices from video in background)
2631 DH: How do we run that?
2632 KD: Do you want to fast forward it?

b6 -2
b7C -2

2633 DH: No I just wanted (IA) I don't know where it is.
2634 (IA voices from video in background)
2635 KD: I'll fast forward it to. . .
2636 (IA voices from video in background)
2637 KD: Alright this is where he says BUBBA (IA)
2638 DH: Yeah BUBBA walks you out TERRY.
2639 (IA voices from video in background)
2640 KD: I think she's just watching TV.
2641 DH: Oh I was gonna say, who's that?
2642 KD: In, in a second BUBBA is gonna come back in.
2643 (IA voices from video in background)
2644 KD: See this is where up until this point you never really knew that she was in on it.
2645 DH: Yeah.
2646 KD: And then he sees I want to watch the tape, she says you'll probably see my face in
2647 pain.
2648 TB: Hm.
2649 DH: Yeah I'd say she's in on it.
2650 TB: Wow. Can I use your bathroom?
2651 KD: Yep.
2652 DH: My God.
2653 TB: Gee.
2654 DH: That's bad.
2655 TB: That's hard for me to watch thinking that that guy was my friend all those years.
2656 DH: Yeah. It's one thing to hear about it and it's one thing to.
2657 TB: I mean it's just like.

2658 DH: To (IA)

2659 TB: And he was there when my father passed away, leaning over the bed with me. I
2660 mean just, it just totally blows my mind to see that.

2661 DH: I know. That's just the absolute man.

2662 TB: Whew, crazy.

2663 DH: There was ah (whispering) TERRY wouldn't even believe after TMZ reported it
2664 that BUBBA had done that. I mean he wouldn't believe it and he said I won't
2665 believe it until I've seen it. I think that's what. It's one thing to hear about it.

2666 KD: (IA)

2667 DH: So did she know uh I mean was [redacted] at any of these viewing parties? I mean
2668 how did he know that he could glom on to these, I mean, where is that coming
2669 from?

2670 KD: How did [redacted].

2671 DH: Yeah in other words, like if I'm talking to a friend of mine or somebody I work
2672 for.

2673 KD: Right.

2674 DH: I don't necessarily know that in their office, in a secret stash they got a bunch of
2675 sex tapes.

2676 KD: Yeah he was shown, he, BUBBA invited him to watch.

2677 DH: How did he know he kept it there?

2678 (Chiming sound)

2679 KD: (IA)

2680 DH: Yeah (IA)

2681 KD: I don't think they, I don't think they were, I think they were pretty close.

2682 DH: Yeah okay because that's what I'm kind of going with.

2683 KD: I mean close enough to say hey come on and watch my wife (IA)

2684 DH: Well wouldn't BUBBA know it got stolen? I mean it's not there anymore. I,
2685 you've gotta believe that BUBBA's guarding it.
