 I can't even think of a comment to leave, I laughed my nuts off but I don't know if this is genius or something that will ultimately traumatize me! LOL

holy shit-sticks, I kinda thought this would end with the sound of an ambulance coming for Michael.....I thought you had broken something inside of your body...=P  
You laugh is pretty infectious, sir.  
this was VILE. Contemptible. Insensitive, rude, crass and utterly unbelievable....  
can't wait for the next one :)
