

EXHIBIT C

(to Plaintiff's Opposition to Defendants' Renewed Motion for Dismissal for Fraud on the Court or, in the Alternative, Amended Motion for a New Trial)

[]

Right.

TB:

So GAWKER's story isn't true then?

b6 -2
b7C -2

[]

Right.

GH:

But GAWKER would have to put that out TERRY. GAWKER can't publicize
hey the people that brought us these tapes stole them.

TB:

Yeah.

GH:

And now we're gonna run 'em because obviously they've got a problem that's
why [] said he would help us with the declaration potentially from []
that the tapes were stolen so that we can try to force GAWKER to take it off. I
know that's your main concern.

b6 -2
b7C -2

TB:

Well that's what I want is to take it off GAWKER (IA)

GH;

(Coughs)

TB:

So if we could get.

[]

I'm gonna try to do everything that I can in my power.

b6 -2
b7C -2

TB:

So you can't write a letter then saying.

[]

(IA) Well yes I will, I will do that.

GH:

If we.

TB:

Can we do that today before we leave so we have it to get GAWKER's thing off
the Internet? My wife is due to ask me right now is it off yet, I you know.

[]

Well but I think you can feel comfortable in telling your wife that it's a
complicated issue.

b6 -2
b7C -2

TB:

Huh.

[]

But (chuckles) in other words.

TB:

You have no idea what I've been through (IA) I can tell her.

[]

We're, we're gonna, we have, you have complete cooperation with the people
who gave it to GAWER to take it off and if that means (IA) I think you get more
with honey than you do with vinegar so whoever gave it to GAWKER, to call
them up, the contact, and say we helped you, you've got to help us. You've got to
take it down, it's getting too hot in the kitchen.

b6 -2
b7C -2

[]

I, I don't know about that, but I, I, from what I understand that was his thing was to kind of pass his wife around and say video-tell it.

b6 -2
b7C -2

GH: God.

TB: That's what we understand too.

GH: (Sighs)

TB: I wonder, I wonder if they told other people that there were cameras in the room.

GH: Well I think on one of them they did because isn't there, there was one it, I think it was either GAWKER or TMZ was talking about or actually played the clip. It wasn't you, it was somebody else who says, they're in the room with HEATHER and HEATHER is going up to the camera and she says well I gotta make sure this is turned on because [] will be really mad if I don't film it.

[]

I don't know if she says to turn it on but she says something about adjusting her or making sure. It's very clear what she's doing. (laughs)

b6 -2
b7C -2

DH: Right so.

TB: So they had somebody in there that knew they were being filmed?

[]

I, I believe so.

b6 -2
b7C -2

TB: That's crazy.

DH: Yeah it seems pretty obvious.

TB: That's insane.

DH: (Whispering) I don't know. Not my type of thing.

[]

(IA)

b6 -2, 4
b7C -2, 4

TB: I just want this off GAWKER.

[]

Yes.

TB: (UI)

[]

We're gonna assist in any way to help you get this off GAWKER.
