## Additional Information and Endnotes

- ▶ Fidelity is required by the Securities Exchange Act of 1934 to provide certain financial information from the Statement of Financial Condition of National Financial Services LLC (NFS). At December 31, 2015, NFS, an affiliate of Fidelity Brokerage Services LLC, had net capital of \$3,377 million, which was 13.81% of aggregate debit items and exceeded its minimum requirement by \$2,888 million. To acquire the Statement of Financial Condition of National Financial Services LLC (NFS), log on to [Fidelity.com](http://Fidelity.com). If you wish to obtain a copy of this document at no cost, or have any questions regarding its contents, please call Fidelity at 800-544-6666.
- ▶ Securities purchased on margin are the firm's collateral for the loan to you. The actual amount you can borrow and the firm's margin maintenance requirements may vary depending on the firm's internal margin policies which exceed the margin requirements of FINRA and NYSE. The firm's margin policies are subject to review and revision at any time in the firm's sole discretion. The firm reserves the right to alter the terms on your margin loan at any time to comply with changes in the firm's policies. If the securities in your account decline in value, so does the value of the collateral supporting your loan, and, as a result, the firm can take action, such as issue a margin call and/or sell securities or other assets in any of your accounts held with the member, in order to maintain the required equity in the account. It is important that you fully understand the risks involved in trading securities on margin.

The risks include the following: IMPORTANT: (1) YOU CAN LOSE MORE FUNDS THAN YOU DEPOSIT IN THE MARGIN ACCOUNT. (2) THE FIRM CAN FORCE THE SALE OF SECURITIES OR OTHER ASSETS IN YOUR ACCOUNT(S). (3) THE FIRM CAN SELL YOUR SECURITIES OR OTHER ASSETS WITHOUT CONTACTING YOU. (4) YOU ARE NOT ENTITLED TO CHOOSE WHICH SECURITIES OR OTHER ASSETS IN YOUR ACCOUNT(S) ARE LIQUIDATED OR SOLD TO MEET A MARGIN CALL. (5) THE FIRM CAN INCREASE ITS "HOUSE" MAINTENANCE MARGIN REQUIREMENTS AT ANY TIME AND IS NOT REQUIRED TO PROVIDE YOU ADVANCE WRITTEN NOTICE. (6) YOU ARE NOT ENTITLED TO AN EXTENSION OF TIME ON A MARGIN CALL.

For more information about your statement, please refer to our **Frequently Asked Questions** document at [Fidelity.com/statements](http://Fidelity.com/statements).

## Information About Your Fidelity Statement

TDD Service for the Hearing-Impaired Call 800-544-0118, 9 am - 9 pm ET, 7 days a week.

**Lost or Stolen Cards** For 24-Hour worldwide customer service, call 800-529-2164 for American Express or 800-323-5353 for VISA® Gold Check Card.

**Additional Investments with Fidelity** Make checks payable to Fidelity Investments. Include your account number on the check. For retirement and health savings accounts (HSA), designate in the memo field whether your contribution is for the current or prior year. Mail checks or other inquiries to: Fidelity Investments, P.O. Box 770001, Cincinnati, OH 45277-0003.

**Income Summary** Shows income by tax status for the statement and year-to-date periods. Except for interest income earned on, or distributed by, tax-exempt securities, Fidelity reports dividends and capital gains held in taxable accounts as taxable income. A portion of income reported as tax-exempt income may be subject to alternative minimum taxes and/or state and local taxes. In Traditional IRAs, Rollover IRAs, SEP-IRAs, SIMPLE IRAs and Keoghs, earnings are reported as tax-deferred income. In Roth IRAs and HSAs, earnings are reported as tax-exempt income as they may be federally tax-exempt if certain conditions are met.

**Cost Basis, Gain/Loss, and Holding Period Information** NFS is required to report certain cost basis and holding period information to the IRS on Form 1099-B. Unless otherwise specified, NFS applies the average cost method for open-end mutual funds and the first-in, first-out (FIFO) method for all other securities. Cost basis is adjusted for wash sales on securities with the same CUSIP held in the same account (unless your account receives mark-to-market reporting). Your statement may not reflect all adjustments required for tax purposes. Customers should consult their tax advisors for further information.

**Cost** Fidelity provides purchase cost information for securities held in retirement and HSA accounts. Such information may be adjusted for certain transactions and does not reflect dividends or capital gains reinvestments. Fidelity reports transaction profit or loss information when securities are sold within a retirement or HSA account. Transaction profit or loss is calculated by subtracting purchase cost from sales proceeds using the FIFO method if shares were purchased at different times or prices. **Statement Mailing** We deliver statements at least four times during the calendar year for any account with a balance.

## Additional Information About Your Brokerage Account, If Applicable

**Free credit balances (FCB)** are funds payable to you on demand. FCB are subject to open commitments such as uncleared checks and exclude proceeds from sales of certificated securities without delivery of the certificate. If your FCB is swept to a core position, you can liquidate the core position and have the proceeds sent to you or held in your account subject to the terms of your account agreement. Required rule 10b-10(a) information not contained herein will be provided on written request. **Assets Separate from Your Brokerage Account** Only securities in the margin portion of your brokerage account contribute to margin and maintenance requirements. Other Assets, which may be reported on your statement, including insurance products that are distributed by FBS and Fidelity Insurance Agency, Inc. and mutual fund only accounts held directly with the fund (Fidelity Mutual Fund Accounts) are not carried by NFS, not covered by the Securities Investor Protection Corporation (SIPC) and do not count toward your margin and maintenance requirements. Assets held in brokerage accounts managed by Strategic Advisers, Inc. (SAI) are carried by NFS and covered by SIPC but do not contribute to your margin and maintenance requirements. **Short Account Balances** Securities sold short are held in a segregated short account. These securities are marked-to-market for margin purposes, and any increase or decrease from the previous week's value is transferred weekly to your margin account. Fidelity represents your short account balance as of the last weekly mark-to-market, not as of the statement end date.

**Information About Your Option Transactions** Each transaction confirmation previously delivered to you contains full information about commissions and other charges, and such information is available promptly upon request. Assignments of American and European-style options are allocated among customer short positions pursuant to a random allocation procedure, a description is available upon request. Short positions in American-style options are liable for assignment anytime. The writer of a European-style option is subject to exercise assignment only during the exercise period. For more information, please call Fidelity at 800-544-6666. **Equity Dividend Reinvestment** Shares credited to your account resulted from transactions by FBS acting as agent for your account, or the Depository Trust Company (DTC). **Price Information/Total Market Value** The Total Market Value has been calculated out to 9 decimal places; however, the individual unit price is displayed in 5 decimal places. The Total Market Value represents prices obtained from various sources, may be impacted by the frequency with which such prices are reported and such prices are not guaranteed. Prices received from pricing vendors are generally based on current market quotes, but when such quotes are not available the pricing vendors use a variety of techniques to estimate value. These estimates, particularly for fixed income securities, may be based on certain minimum principal amounts (e.g. \$1 million) and may not reflect all of the factors that affect the value of the security, including liquidity risk. The prices provided are not firm bids or offers. Certain securities may reflect N/A or unavailable where the price for such security is generally not available from a pricing source. The Market Value of a security, including those priced at par value, may differ from its purchase price and may not closely reflect the value at which the security may be sold or purchased based on various market factors. The sale or redemption of any fixed income security prior to maturity may result in a loss. Prices for Certificates of Deposits (CDs) on your statement are generally estimates and are not based on actual market prices. The secondary market for CDs is generally illiquid. You should always request a current valuation for your securities prior to making a financial decision or placing an order.

**Statement Discrepancies** Please review your statement and report any inaccuracies or discrepancies. Inquiries, concerns or questions regarding your brokerage account or the activity therein should be directed to FBS by calling 800-544-6666, and NFS, who carries your brokerage accounts, by calling 866-408-1138. Any oral communications regarding inaccuracies or discrepancies should be reconfirmed in writing to protect your rights, including those under the Securities Investor Protection Act (SIPA).

**Material Changes** Please advise us of material changes in your investment objectives or financial situation related to your brokerage account(s).

**Mutual Funds and Performance** An investment in a money market fund is not insured or guaranteed by the Federal Deposit Insurance Corporation (FDIC) or any other government agency. Although the fund seeks to preserve the value of your investment at \$1.00 per share, it is possible to lose money by investing in the fund. Before investing, consider the funds' investment objectives, risks, charges and expenses. Contact Fidelity for a prospectus containing this information. Read it carefully. Performance data shown represents past performance and is no guarantee of future results. Investment return and principal value will fluctuate, so you may have a gain or loss when shares are sold. Current performance may be higher or lower than that quoted. Visit [Fidelity.com/performance](http://Fidelity.com/performance) for most recent month-end performance.

**Sales Loads & Fees** Each fund reserves the right to terminate or modify its exchange privilege in the future. In connection with (i) access to, purchase or redemption of, and/or maintenance of positions in mutual funds and other investment products ("funds") or (ii) platform infrastructure needed to support such funds, some funds, or their investment affiliates, pay FBS and/or NFS sales loads and 12b-1 fees described in the prospectus as well as additional compensation for shareholder services, platform infrastructure support and maintenance, and other programs. Additional information about the source(s) and amount(s) of compensation as well as other remuneration received by FBS or NFS will be furnished to you upon written request. At the time you purchase shares of funds those shares will be assigned either a load, transaction fee (TF) or no transaction fee (NTF) status. When you subsequently sell those shares, any fees applicable to your transaction will be assessed based on the status assigned to the shares at the time of purchase.

**Executing Orders on the Floor of the NYSE** The Floor broker may permit the specialist to trade on parity with the order for some or all of the executions associated with filling that order, where such permission would not be consistent with the broker's best execution obligations. **Agency Trades** Individual securities trades placed for your Fidelity® Personalized Portfolios account are completed on an agency basis by FBS.

**SIPC** Securities in accounts carried by NFS, a Fidelity Investments company, are protected in accordance with the SIPC up to \$500,000 (including cash claims limited to \$250,000). For details, including the SIPC brochure, please see [www.sipc.org](http://www.sipc.org) or call 1-202-371-8300. NFS has arranged for additional protection for cash and covered securities to supplement its SIPC coverage. Neither coverage protects against a decline in the market value of securities.

**Fidelity Investments** Fidelity Distributors Corporation (FDC) is the distributor for Fidelity Funds with marketing and shareholder services provided by FBS or NFS. **Brokerage services are provided by FBS, which clears all transactions through its affiliate, NFS. NFS carries all brokerage accounts. FBS and NFS are members of the NYSE and SIPC.** FBS, NFS, and FDC are direct or indirect subsidiaries of FMR LLC. Upon written request, Fidelity will mail an NFS financial statement, which is also available for inspection at its office. Fidelity Investments (with pyramid logo) is a trademark of FMR LLC.

**SAI Services** Fidelity Portfolio Advisory Service®, Fidelity® Strategic Disciplines, Fidelity Wealth Management Advisory<sup>SM</sup>, and BlackRock® Diversified Income Portfolio are services provided by SAI, a registered investment adviser and a Fidelity Investments company. Fidelity Go<sup>SM</sup> is a service provided by SAI and Geode Capital Management LLC, an unaffiliated registered investment adviser. Fidelity® Personalized Portfolios may be provided through the following Fidelity Investments companies: SAI, Fidelity Personal Trust Company, FSB (FPTC), a federal savings bank, or Fidelity Management Trust Company (FMTC). Non-deposit investment products and trust services offered through FPTC and FMTC and their affiliates are not insured or guaranteed by the FDIC or any other government agency, are not obligations of any bank, and are subject to risk, including possible loss of principal. **These advisory services are provided for a fee.**

**Ratings Information from Standard & Poors ("S&P")** may not be reproduced. S&P credit ratings are statements of opinion and are not statements of fact or recommendations to purchase, hold, or sell securities, nor do they address the suitability of securities for investment purposes, and should not be relied on as investment advice. S&P does not guarantee the accuracy, completeness, timeliness or availability of any information, including ratings, and is not responsible for errors or omissions (negligent or otherwise). S&P gives no express or implied warranties, including but not limited to any warranties of merchantability or fitness for a particular purpose or use. S&P shall not be liable for any direct, indirect, incidental, exemplary, compensatory, punitive, special or consequential damages, costs, expenses, legal fees, or losses (including lost income or profits and opportunity costs) in connection with any use of ratings.

**Miscellaneous** Mutual fund shares, other securities held in your account, and insurance products are neither deposits nor obligations of, nor endorsed or guaranteed by, any bank or other depositing institution, nor are they federally insured by the FDIC or any other agency. If you request a reprint of your statement, the disclosure information may not be the same as the information originally provided.
