 Portions of Hulk Hogan's sex tape have surfaced online. The video starts with another man addressing Hogan and his female companion "I want you guys to your thing," the man says. "I'll be in my office if you guys need me." The video shows Hogan in getting in sexual activities and talking with his female companion who is supposed to be the ex-wife of his best friend, a famous radio DJ named Bubba the Love Sponge.

really want to sit in on one of these recordings just to hear the stuff that gets cut because every episode so far has had me in tears laughing

holy shit-sticks, I kinda thought this would end with the sound of an ambulance coming for Michael.....I thought you had broken something inside of your body.....=P

You laugh is pretty infectious, sir.

this was VILE. Contemptible. Insensitive, rude, crass and utterly unbelievable....

can't wait for the next one :)
