Welcome to Kinja, where you own the story.

All we ask from our users is that they follow a few simple rules:

**Carefully select your username.** Your username is no place to attack or impersonate others.

**Don't try to break our site.**

**Don't post spam.** If you're interested in using our platform for promotional purposes, talk to us first.

**Don't publish your porn site on Kinja.** We fully embrace NSFW items, but there's a line.

**Respect the privacy of others.**

**Make sure you own the rights to anything you post.**

If you believe that a user has broken any of these rules, please let us know.

(And of course, all users must follow our [Terms of Use](#).)
