THE DIRTY ARMY: Nik, a couple of other guys and myself, did some detective work regarding the Hulk Hogan porn video screen captures you posted. Luckily Bubba the Love Sponge and his ex-wife Heather had posted a number of photos of their bedroom online. We were able to provide solid proof that the Hogan sex tape was filmed inside Bubba's bedroom. I'm uploading some of the photos, but there is a much more damning one in this thread. Thanks! I wish Bubba the Love Sponge would just man up and admit Hulk Hogan banged his wife (at the time) in his bedroom. The best part is that Linda Hogan claimed Heather Clem is her best friend and it would never betray her like this. Sh*t is about to go down.- nik
