# PORN KING TO HULK: There's a HUGE Appetite For Your Sex Tape

3/8/2012 6:00 AM PST BY TMZ STAFF

**EXCLUSIVE**  **VIEW DOC**

The kingpin of porn has reached out to Hulk Hogan in an effort to entice him to change his mind about the sex tape that has surfaced featuring the famous wrestler.

Steven Hirsch from Vivid Entertainment has sent Hulk a letter, which touts his company's stable of stars who include Kim Kardashian, Kendra Wilkinson, Tommy Lee and Jimi Hendrix.

After we broke the story that Hulk is front and center in a videotaped sexual encounter with a mystery brunetta, he was adamant that he had no idea he was being taped and he would go after the people behind the tape both civilly and criminally.

Hirsch tells Hulk in the letter ... he admires what Hulk has accomplished and then says he saw a "teaser" of the tape and believes there would be a "huge demand."

Huge or not ... Hulk and his lawyer could not have been clearer on TMZ Live yesterday ... they don't want that tape to see the light of day.

Dear Hulk,

My name is Steven Hirsch and I run Vivid Entertainment, the world's leading adult film company.

Our company has become well-known for distributing celebrity sex tapes starring such personalities as Kim Kardashian, Kendra Wilkinson, Tommy Lee, Jimi Hendrix and many others.

I certainly admire what you've accomplished in your career and can appreciate all of the hard work that you've invested in reaching your iconic status.

I was therefore very interested when we learned about a purported Hulk Hogan sex tape. We were shown "teaser" images of what appears to be a legitimate sex tape and I believe there would be a huge demand for the footage.

We understand that you believe this tape was filmed without your permission. Whatever the case, we would still like to discuss the opportunity to work together as we feel this would be one of the best selling celebrity sex tapes of all time.

I would like to discuss with you the possibility of distributing this video in the same way we have done with other intimate videos featuring famous personalities.

Please call me directly (at [REDACTED] [REDACTED]) and ask for me personally to discuss this opportunity or, if you prefer, get back to me by email so we can set up a time to talk.

I look forward to hearing from you soon.

Sincerely,

Steven Hirsch
