Video Description  
RIR: 1,640,214 Added 2012-10-05

"Up top, you'll see one minute from the 30 minute tape depicting of 39-year-old Hulk Hogan, professional wrestler from Life After American Hero to some fucking woman rumored to be the ex-wife of his best friend, a famous radio DJ named Bubba the Love Sponge. This footage was allegedly circulated last April. TMZ reported its existence. The Dirty showed some screen shots, and Hulk lawyered up because he claims he was "secretly filmed." Last week, a burned DVD copy of Hulk having sex with the woman rumored to be another claim (Bubba's ex-wife), was offered to us through an anonymous source. The source is anonymous. They wanted no credit. Their only request was that we watch it. So I did - all 30:17 of it - and hyperbole aside, it's a goddamn masterpiece." - Gawker.com
