## WORLD STAR MATCH

WTF: Footage Of Hulk Hogan Sex Tape! (\*\*Warning\*\* NSFW)

Video Description

Hrs: 1,640,214 Added 2012-10-05

"Up top, you'll see one minute from the 30 minutes of footage taken of 59-year-old Hulk Hogan, professional wrestler, Real Life American Hero to many, fucking a woman rumored to be the ex-wife of his best friend, a famous radio DJ named Bubba the Love Sponge. This footage was stealthily circulated last April. TMZ reported its existence, The Dirty showed some screen shots, and Hulk layered up because he claims he was "secretly filmed." Last week, a burned DVD copy of Hulk having sex with the woman rumored to be Heather Clem (Bubba's ex-wife), was delivered to us through an anonymous source. They wanted no payment. They wanted no credit. Their only request was that we watch it, so I did - all 30:17 of it - and hyperbole aside, it's a goddamn masterpiece." - Gawker.com
