To: William Braddock,

MAY 14, 12:14 PM

I've got television, radio, podcast, and other interviews like up first week of June. Any possibility for me to give a 5-10 min speech at Mugs sometime in June?

Also keep this between us but Tito might jump in for FL-13 as well and between us two Marines, we will make Luna look like the joke she really is

We have an alliance and Lune is our target

Luna*

It scares the absolute fuck outta me that she could be in a position to write laws it really does scare me because she's a moron

MAY 14, 2:59 PM

So, you're not going to run now? Tito will? I like Tito.

Matt did a great job speaking a few weeks ago. But I don't think he spoke this time

Luna is a grease spot

Makki and Tito and myself are taking her out

Please don't be associated with her

Call me if you can I'll discuss more on phone not on text

Thank you Amanda for all your hard work organizing these events. I know it takes time away from family and resources. Amanda and I are good now too. I forgot to say hi to her but she got there late ;)

Today 6:47 PM

We all live in St Pete and so does Matt Tito so word spreads fast lol

Luna lives off 34th behind Popeyes

She called Matt Tito crazy today during the radio interview and then refused to apologize when a veteran voter called in and requested she apologize to him. Luna is complete trash

Matt asked her why her husband doesn't run because he's got a better chance than her Imfao

Send me the link!!

Gage is working on the Luna campaign so he's technically a competitor and will not give me her contact info

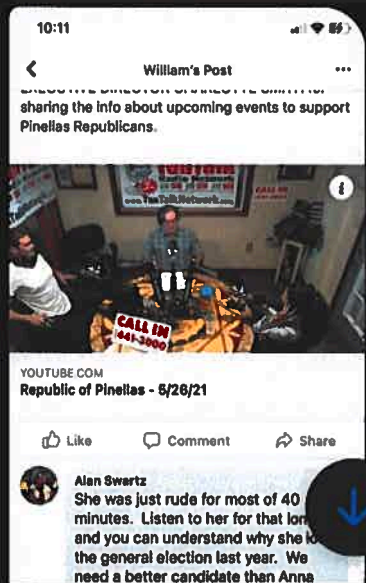

He is the one that is putting together the next gen caucus meetings

I'm fully aware

Myself and other candidates and my team will take out Luna, no questions asked

That dumb cunt doesn't deserve to be in Congress

When someone is so desperate to win a seat in Congress they file a false police report, they deserve to be called out...just saying... This is all public record...what an ignorant human being!!! She's so threatened by my candidacy she has to file FALSE POLICE REPORTS!!!

Thanks Luna the lunatic, you just solidified the fact that you're mentally not stable enough to serve and helped my name recognition, thanks for that!!! ;)
