1 P R O C E E D I N G S

2 THE REPORTER: We are on the record. Today  
3 is March 18th, 2025, and the time is 2:05 p.m.

4 Detective, please raise your right hand.  
5 THEREUPON,

6 DETECTIVE SOMSAK A. INTRAVICHIT  
7 was called as a witness and after having been first  
8 duly sworn, was deposed and testified as follows:

9 THE REPORTER: Thank you.

10 You may begin.

11 DIRECT EXAMINATION

12 BY MS. RUSSELL:

13 Q. Detective Intravichit --

14 A. Yes.

15 Q. -- would you introduce yourself to the court  
16 reporter and spell your full name for the record?

17 A. My name is Somsak Intravichit. My first name  
18 is spelled S-O-M-S-A-K. My last name is spelled  
19 I-N-T-R-A-V-I-C-H-I-T.

20 Q. Detective, my name is Margaret Russell. I'm  
21 here with my cocounsel Julia Seifer-Smith and Lamark  
22 McGreen. We're here to talk to you about your  
23 involvement, actually, in two murder cases that we are  
24 handling. The first one is case number 21-01099-CF.  
25 And that, as far as I know, includes your supplement

1 under the case number -- your case number of  
2 2021-004037.

3 We also have 21-01513-CF. And as far as I  
4 know, your supplement number there is under the case  
5 number of 2021-006023. Do you have all of those  
6 supplements, and are you prepared to talk to us about  
7 both cases today?

8 A. Yes.

9 Q. All right. Tell me what you did to prepare  
10 for your deposition.

11 A. Just reviewed my reports and my supplements  
12 for each of those cases.

13 Q. Anything else?

14 A. No.

15 Q. And do you have access at this time to all the  
16 photographs and body-worn camera and videos and  
17 everything?

18 A. Yes.

19 Q. So if you wanted to, you could've looked at  
20 those things too, right?

21 A. Correct.

22 Q. All right. Why don't we start with the first  
23 case? Your report 004037. Tell me what you did and  
24 how you were involved in that case.

25 A. On March -- I'm sorry -- February 2nd, 2021,

1 my involvement was I was requested to complete  
2 subpoenas for three phone numbers. Two of the numbers  
3 were identified belonging to Deronrick Green, and the  
4 third one was identified as belonging to Rodney Green.

5 Q. So what is a preservation letter?

6 A. It's just a -- a request to the cell phone  
7 provider to preserve those records for a period of  
8 time. I believe the period is 90 days.

9 Q. And how do you prepare a subpoena?

10 A. I -- there's a preformed -- or a fillable form  
11 that is provided from the State. I fill it out, and I  
12 email it to our -- it's called EIU, Electronics  
13 Investigation Unit, and then they handle the -- the  
14 processing of it from there.

15 Q. So just to back up, Detective Intravichit, how  
16 long have you been a detective with St. Pete Police  
17 Department?

18 A. Since 2019.

19 Q. And before that, what was your job?

20 A. Patrol officer.

21 Q. And before that?

22 A. Before that, I was a patrol officer in  
23 Columbia, South Carolina, with Columbia PD. And then  
24 prior to that, I was with the Pinellas County Sheriff's  
25 Office in their Forensic Science Unit. And then before

1 that, I was with St. Pete in their Crime Scene Unit.

2 Q. So over the course of your career, how many  
3 preservation letters and subpoenas have you prepared?

4 A. Oh, I -- I don't know. I can't ballpark that.  
5 That's a lot.

6 Q. Maybe 10,000?

7 A. No, I don't -- I mean --

8 Q. A thousand? Hundreds? I won't hold you to  
9 it, but this is a pretty routine task?

10 A. Yes.

11 Q. Was there anything strange or different that  
12 happened in the case of your preparing these three?

13 A. Well, it's -- it was brought to my attention  
14 by the State that we never got the records for it. So  
15 I called EIU last week. The third record, the  
16 551-1542, they had that. I don't know if it got lost  
17 somewhere. Because, from my understanding, the State  
18 had switched to a portal system. Whereas before that,  
19 they would just hard copy the returns and interoffice  
20 mail it to our department so we would get copies of  
21 them.

22 I -- I think that's when we transitioned to a  
23 portal system with a password that -- so the State  
24 would provide us the website link and then a -- another  
25 email for the password. I never received those. I --

1 I scoured through all my old emails, so I just never  
2 got them.

3 And then the first two numbers, apparently the  
4 State had transposed those numbers incorrectly. So  
5 instead of 727, it was 772. So they submitted those  
6 numbers to the phone companies that way. So therefore,  
7 I never got those records either.

8 So last week, I resubmitted subpoenas for the  
9 first two numbers with the correct phone number, and  
10 they said that they were going to put a rush on it  
11 and -- and take care of it. If those records even  
12 still exist, I don't know. But the third record, they  
13 were able to provide to me, so that's also in property  
14 and evidence.

15 Q. When did you get the third one?

16 A. Last week. I can give you a specific the  
17 date. March 12th. So I did author a new report on  
18 March 12th. So I don't know if you guys have that or  
19 not.

20 Q. I do not.

21 A. Okay.

22 Q. The first (cross talk).

23 A. Yeah, so that's basically it.

24 MR. KOSKINAS: I don't have that either. We  
25 got to get a copy of it. You want me to make copy for

1     you guys right now?

2                 MS. RUSSELL: Maybe we should -- well, I  
3     mean, so can we go off the record for a second?

4                 THE REPORTER: Yeah.

5                 (Discussion held off the record.)

6                 THE REPORTER: Back on the record at 2:12  
7     p.m.

8                 MS. RUSSELL: Mr. Koskinas just provided us  
9     with a new supplemental report authored by Detective  
10    Introvichit on March 12th of 2025. We have asked that  
11    that report, including any other supplemental reports  
12    that have recently been completed, be submitted through  
13    the regular channels of discovery.

14                MR. KOSKINAS: Is there any other that's been  
15    completed that you're aware of?

16                THE WITNESS: Not to my knowledge, no.

17                MR. KOSKINAS: Okay. This is it. This is  
18    all you did?

19                THE WITNESS: This is all I did.

20                MR. KOSKINAS: Gotcha. Okay.

21                THE WITNESS: You may see -- in iLEADS the  
22    way it generates the reports, when I submit evidence,  
23    a -- a voucher's automatically and a report's already  
24    generated so the -- you might see that, but it's not  
25    going to have anything like this.

1 BY MS. RUSSELL:

2 Q. So, Detective Intravichit, how frequently do  
3 you do a preservation letter and send a subpoena and  
4 not get things returned on time?

5 A. This is the first time for me. Like, I've  
6 never seen this happen before.

7 Q. And the issue was that on the first two, two  
8 numbers were transposed by the State?

9 A. Correct. So when I email them the form, I  
10 have all of the information, and then they in turn will  
11 take that information and send it to the phone company.  
12 So somewhere along between the State and the phone  
13 company, that number -- those numbers got transposed.

14 MS. SEIFER-SMITH: I have two quick  
15 questions. Sorry. Sorry to interrupt.

16 DIRECT EXAMINATION

17 BY MS. SEIFER-SMITH:

18 Q. So when you say "they," you send a form to the  
19 State Attorney's Office? Is that right?

20 A. Yeah. Yes.

21 Q. Do you know whom at the State Attorney's  
22 Office?

23 A. No, it just goes to a generic box. It's just  
24 like a -- I think it's like -- EIU is the -- is the  
25 division. I don't know what the -- who actually

1     answers it or who takes care of it or how many people  
2     they have. I just know that we send it there, and then  
3     it gets taken care of from there.

4           Q.    Okay. And this is just the form for the  
5     preservation letter, or is this the form for the  
6     subpoena as well?

7           A.    It's one and the same.

8           Q.    Okay.

9           A.    So when I send this, the subpoena and  
10    preservation letter will -- will basically be on the  
11    same document, and then they'll -- they'll give us  
12    both.

13          Q.    Okay. Do the subpoena returns come to you at  
14    the St. Petersburg Police Department, or do they get  
15    returned, if you know, to the State Attorney's Office?

16          A.    It initially goes to the State Attorney's  
17    Office, and then it would come to St. Pete.

18          Q.    Okay. And do you guys still have the emails  
19    that you sent to the State Attorney's Office?

20          A.    No, it -- the system's already purged out  
21    from -- from that long ago.

22          Q.    Okay. And do you know the name of the phone  
23    company to which the State Attorney's Office would've  
24    reached out?

25          A.    The phone provider would've been Metro PCS at

1 the time.

2 Q. Okay. Do you know how you got that  
3 information?

4 A. I believe just through law enforcement portals  
5 and websites.

6 MS. SEIFER-SMITH: Okay. Sorry.

7 MS. RUSSELL: Okay. Is that all?

8 MS. SEIFER-SMITH: Um-hum.

9 FURTHER DIRECT EXAMINATION

10 BY MS. RUSSELL:

11 Q. So, just to be clear, the returns on the  
12 727-551-1542, Rodney Green, subscriber, Baby Bizzle --

13 A. Yes.

14 Q. -- came back last week, March 12th?

15 A. Correct.

16 Q. And do those come back to you or to the State  
17 attorneys?

18 A. The State attorney gave me a copy. So in the  
19 normal course, it went to the State, and then the State  
20 sent it to me, and then I put it in property and  
21 evidence.

22 Q. Okay. And who's responsible for making sure  
23 that gets uploaded on Evidence.com or provided to the  
24 defense?

25 A. That's -- I guess, you guys, property and

1 evidence. We -- I don't typically put those in  
2 Evidence.com just because of the -- the way the data's  
3 formatted, it comes up kind of garbled. But there's a  
4 disc there waiting for you guys if you want a copy of  
5 it.

6 Q. I'm sure we do.

7 All right. Did you do anything else with  
8 regard to case 21-01099-CF?

9 A. For my report, it's going to be the 4037?

10 Q. Correct.

11 A. All right. No, that looks like it was all my  
12 involvement.

13 MS. RUSSELL: Before we go any further, does  
14 anyone else have any questions on 21-01099-CF?

15 FURTHER DIRECT EXAMINATION

16 BY MS. SEIFER-SMITH:

17 Q. Have you heard back anything from the phone  
18 company regarding the new preservation or subpoena that  
19 has gone out?

20 A. No, and EIU told -- told me that they would be  
21 trying to put a rush on it, so I expect it any day now.

22 Q. Okay. So the information that you get back  
23 from the EIU could be any one of a number of things,  
24 like that it's too late and there are no records or  
25 that they've been able to complete the response or that

1 they've completed a partial response?

2 A. Correct.

3 Q. Okay. And will that then lead you to do  
4 further work, like a further report on this case?

5 A. Yes.

6 MS. SEIFER-SMITH: Okay. No further  
7 questions.

8 MR. KOSKINAS: That's it?

9 MS. SEIFER-SMITH: No, no, no.

10 MS. RUSSELL: We're not done.

11 MS. RUSSELL: Just on that.

12 MR. KOSKINAS: Oh, sorry.

13 MS. RUSSELL: Thanks.

14 FURTHER DIRECT EXAMINATION

15 BY MS. RUSSELL:

16 Q. Detective Intravichit, I'm going to switch  
17 gears now and move to case number 2021-006023, which is  
18 your report number and our case number 21-01513-CF.

19 A. Okay.

20 Q. Makes sense?

21 A. Yep.

22 Q. Did you offer a supplement in that case?

23 A. I did.

24 Q. Only one?

25 A. Two. So I have one dated from February 16th

1 of 2021 and another on February 17th of 2021.

2 Q. Just because we've been having trouble making  
3 sure that we have all the (cross talk) --

4 A. Sure.

5 Q. -- and everything, can I show you basically  
6 what I have? And that's the same as what you have,  
7 right? That's number --

8 A. That's -- that's from the 16th, yes.

9 Q. This one, and that's the 17th?

10 A. Yes.

11 Q. Okay. So what was your first involvement in  
12 this case?

13 A. So on February 16th, I was advised to stand by  
14 with a -- a juvenile victim that was in the home of  
15 2968 and then accompany her to All Children's to make  
16 sure she's medically treated and then try to determine,  
17 like, what parent or guardian that's available to -- to  
18 give custody of that child to.

19 Q. Who asked you to do that?

20 A. I believe it was at the time Sergeant Demark.

21 Q. So how did Sergeant Demark convey that  
22 information to you? Did you go to the crime scene and  
23 say, "What can I do to help?" Or did you get a phone  
24 call saying, "We need you to do this specific task"?

25 A. If I remember correctly, by the time I got

1     there, I had -- I was already made aware that there was  
2     going to be a potential SWAT call out. Sergeant Demark  
3     was either -- he was on scene before me. I don't know  
4     how far along before me he was, but when I got there,  
5     he just said for me to stand by until SWAT was doing --  
6     or finishing whatever they were doing. And then after  
7     that, then he said, "Go to the hospital with -- with  
8     the child."

9             Q. So what time did you arrive on the scene, if  
10     you remember?

11            A. Oh, I don't remember that.

12            Q. Do you know how long you were waiting before  
13     you sprung into action?

14            A. No.

15            Q. So what was your observation of the scene when  
16     you first arrived?

17            A. I didn't go any -- I didn't go that close to  
18     the house, so I don't -- I didn't see, like, whatever  
19     was going on down there. We were basically staying on  
20     the -- the -- off of the main road. I believe that's  
21     31st Street. So that was more of, like, a safer  
22     location. So we were just standing by until SWAT  
23     finished up.

24            Q. And when you say "we," who's we?

25            A. Myself, Sergeant Demark, other detectives that

1     were on scene.

2           Q.   How many other detectives were on scene that  
3     you knew?

4           A.   The only one I knew was Detective Johnson  
5     because she -- we were both in the same car together  
6     when we arrived.

7           Q.   Did you and Detective Johnson talk about the  
8     case on the way there?

9           A.   No.

10          Q.   And when you got there, did you know what you  
11     were walking into?

12          A.   No.

13          Q.   What surprised you once you finally got a  
14     little closer to the scene, if anything?

15          A.   I -- I think the child. I think the child  
16     really surprised me because I didn't know that that  
17     happened.

18          Q.   Did you ever enter the crime scene?

19          A.   Not at that time.

20          Q.   Okay. So how did you get in contact with the  
21     child for the first time?

22          A.   The child was actually brought out from the  
23     house and -- by another officer, and they were by a --  
24     there was some paramedics standing by, so they brought  
25     him (sic) directly to the paramedics. And then from

1     there, we just went to All Children's Hospital.

2             Q. Did the paramedics examine the child?

3             A. Briefly.

4             Q. And did you stand by while that happened?

5             A. Yeah.

6             Q. Did she say anything?

7             A. I don't think so.

8             Q. Did the paramedics say anything about her  
9     medical condition or tell you anything that you needed  
10    to know?

11            A. Not to my knowledge, no.

12            Q. So did you transport the child?

13            A. No.

14            Q. The paramedics did?

15            A. Yes.

16            Q. And did you then follow the ambulance down to  
17    All Children's?

18            A. Yes.

19            Q. And then what did you do?

20            A. I stood by with the child, trying to figure  
21    out, one, you know, the child's name, then try to find  
22    a parent or guardian.

23            Q. Did the child say anything to you?

24            A. No.

25            Q. Make any comments about what happened that

1 day?

2 A. No.

3 Q. What was the child's mood?

4 A. I guess just normal, I guess. I don't know.  
5 I -- I've never met her before, so I couldn't say what  
6 normal is, but just, I guess, kind of quiet.

7 Q. What eventually happened to the child?

8 A. She was given custody to -- I'm just going to  
9 refer to my report. So her mother was out of town, and  
10 we got permission to give it -- the child to a Tanisha  
11 Whitfield, which was the -- the child's godmother.

12 Q. So did you speak to Ms. Tanisha Whitfield?

13 A. I don't remember if I did. I probably did  
14 just to verify her ID and just say, "Here, this -- the  
15 child's here."

16 Q. Did you talk to Ms. Tanisha Whitfield? Did  
17 she say anything about Cornelius Whitfield to you that  
18 you recall?

19 A. Not that I recall.

20 Q. Did she make any statements about what had  
21 happened that day?

22 A. No.

23 Q. Did she make any comments about the state of  
24 the child?

25 A. No.

1 Q. What else did you do?

2 A. It looks like that was it for as far as for --  
3 the 16th is concerned. And then my next actions were  
4 all taken on the 17th.

5 Q. What did you do on the 17th of February, 2021?

6 A. Assisted with the searching of the residence,  
7 the 2968 Emerson Avenue South, and I was there for  
8 approximately an hour and a half.

9 Q. Did you go inside?

10 A. I did.

11 Q. What did you do?

12 A. I was searching the west side of the house, I  
13 believe. It was like a -- just a small room with -- I  
14 can only describe it as a hoarding house, so there was  
15 just a lot of stuff in there. So we were just removing  
16 items from there out so we could get a better search of  
17 any evidence.

18 Q. Did you have other impressions of the inside  
19 of the crime scene?

20 A. As far as -- I didn't go any further in the  
21 house.

22 Q. You were just in that one room?

23 A. Yeah.

24 Q. I mean, when you say it was "a hoarding  
25 house," can you describe that?

1           A. Just a lot of stuff stacked up from floor to  
2 almost ceiling level. And it was like you couldn't see  
3 the ground to walk on, so you had to, like, basically  
4 step onto items in order to get into the room. So we  
5 just systematically had taken items from inside that  
6 room and then were -- you know, started bringing items  
7 out in order to at least walk and get inside.

8           Q. Was it sanitary?

9           A. As far as?

10          Q. I mean, how gross was it inside?

11          A. It's not the grossest house I've been in.

12          Q. Top 10?

13          A. Not even.

14          Q. Did you have any other observations about the  
15 inside of the house?

16          A. No.

17          Q. And what were you actually searching for?

18          A. I believe we were searching for any type of,  
19 like, firearms, shell casings, any firearm accessories,  
20 anything like that or any potential biological fluid,  
21 blood, you know, some stuff of that nature, anything to  
22 indicate, like, an injury or something like that.

23          Q. Did you find anything?

24          A. No.

25          Q. Did you talk with Detective Bilbrey?

1           A. Just only to drop off some items that I  
2   received from him and just get them basically  
3   transported to another detective.

4           Q. Did you have any conversations about what had  
5   happened?

6           A. No.

7           Q. What about Detective Kenny? Did you talk to  
8   her about what happened at the crime scene?

9           A. No.

10          Q. So as you sit here now, do you have any  
11   recollection of any conversations that you had with  
12   anybody else at St. Pete or forensic, anyone about what  
13   had occurred?

14          A. No.

15          Q. Or about the defendant, Cornelius Whitfield?

16          A. No.

17          Q. Did you have any other involvement in the  
18   case?

19          A. No.

20          Q. Up until the -- up until your involvement with  
21   the phones in the other case?

22          A. No. That's it.

23          Q. Okay. Are there any further follow-up things  
24   that you have done on this case that we haven't  
25   discussed?

1           A. No. And as I said before, like, once the  
2 returns from the other numbers, whatever the result may  
3 be, if there is nothing, I'll author a report and give  
4 it to you guys.

5           MS. RUSSELL: Sounds good. I don't have any  
6 further questions.

7           MS. SEIFER-SMITH: I have a few.

8           FURTHER DIRECT EXAMINATION

9           BY MS. SEIFER-SMITH:

10          Q. To start back on the 16th --

11          A. Okay.

12          Q. -- just so you can orient yourself with your  
13 report. There's an indication that you reached out to  
14 Department of Children Families. Can you tell me why  
15 you did that?

16          A. That's part of our SOP. Whenever there's a  
17 child involved in a -- like, in the presence of a  
18 crime, whether they observe it or not or just in their  
19 presence, we have to make a courtesy call to Department  
20 of Children Families. And then whatever they do with  
21 that information, that's on them. I -- I don't know  
22 what their policy is, if they either send somebody out  
23 or they don't send somebody out.

24          Q. Okay. So do you know what you would've told  
25 the operator with regards to the involvement of a child

1 in this case?

2 A. Just the basic facts. Just that the child was  
3 recovered from this house after, you know, a -- a  
4 homicide had occurred and that they were being taken to  
5 All Children's Hospital for medical treatment. That's  
6 really it.

7 Q. So you don't know if there was, like, a  
8 further, like, CPI investigation or DCF investigation?

9 A. No.

10 Q. Okay. Did you have any contact with -- well,  
11 I guess, kind of -- sorry -- backing up. How did you  
12 learn the name of the child?

13 A. I believe the officer who was with him told me  
14 the name.

15 Q. Okay. And did you actually speak with the  
16 child's mother?

17 A. I believe I spoke with her on the phone, yeah,  
18 because she was out of town.

19 Q. Okay. Do you recall her saying anything to  
20 you about what had occurred?

21 A. No.

22 Q. Okay. Did you talk to her about the child?

23 A. Just that she was fine and safe and that we  
24 were at All Children's.

25 Q. Okay. Did you speak with the child's

1 grandmother?

2 A. Did I -- I don't think -- no.

3 Q. Okay.

4 A. I think it was just the godmother.

5 Q. Okay. Just because in your report there's  
6 indication that information was received that the  
7 grandmother gave permission for the child to go with  
8 Tanisha Whitfield.

9 A. Yeah, I didn't speak to her directly. I was  
10 just informed like, "Yeah, like this child can go over  
11 with the godmother."

12 Q. Okay. So I have no more questions about your  
13 involvement on the 16th.

14 A. Okay.

15 Q. Now turning over to the 17th --

16 A. Okay.

17 Q. -- and your work in the house, do you remember  
18 what items you were given with respect to, like, that  
19 little line in there?

20 A. Oh, no, I don't. And I didn't ask either. I  
21 just -- they just basically wanted this item to get to  
22 Detective Kenney, and that was a transport role, more  
23 or less.

24 Q. Okay. And do you know if it was one item or  
25 multiple items?

1           A. I don't remember.

2           Q. Okay. And in terms of, like, transporting it  
3 to Detective Kenney, did that mean that you're part of,  
4 like, the chain of custody, like an evidence voucher or  
5 some other form would've been filled out?

6           A. No, when it -- I mean, this would be my  
7 documentation for it. And then as far as it going  
8 into, like, property and evidence, like, it would go --  
9 documented by whoever turns it in. So that's when they  
10 would -- they would enter it in the chain of custody on  
11 that end.

12          Q. Okay. I'm just looking at a report from  
13 Detective Etcheson that has your name in it with  
14 regards to some items. I'm going to hand it over to  
15 you --

16          A. Okay.

17          Q. -- because I doubt that you have it in front  
18 of you.

19               MS. RUSSELL: And just so you guys are  
20 oriented, I have it as page 243 of 361, but it's  
21 Detective Etcheson's report.

22 BY MS. SEIFER-SMITH:

23          Q. Just if this is at all familiar to you.

24          A. Okay.

25          Q. Does that jog your memory in terms of

1 anything? I know there are a number of items that are  
2 listed there.

3 A. No. I don't --

4 Q. Okay.

5 A. I don't remember. I didn't really pay  
6 attention to all the items that -- that were in there.

7 Q. Okay. And Etcheson indicates that it was  
8 given to you to turn into property and evidence.

9 A. Yeah.

10 Q. But you did not turn anything into property  
11 and evidence --

12 A. No.

13 Q. -- as far as you're aware?

14 A. No, as far as I -- no.

15 MS. SEIFER-SMITH: Okay. I don't think I  
16 have anything further.

17 MS. RUSSELL: Mr. McGreen?

18 MR. MCGREEN: No questions.

19 MS. RUSSELL: State?

20 MR. KOSKINAS: That's it.

21 MS. RUSSELL: Okay.

22 MR. KOSKINAS: You're all done. Thank you.

23 (Deposition concluded at 2:30 p.m.)
