Report Suspicious

I am requesting a status conference date to address a particular matter in this case. I am penalty phase counsel for Mr. Kosowski. He wants to waive penalty phase mitigation. He refuses to sign release forms, allow my mitigation specialist to contact potential penalty phase witnesses nor submit to a psychological evaluation. Moreover, he is upset I filed standard death penalty motions without his approval and does not want me to argue them. I told him I have a job to do whether he cooperates or not and that the issue needs to be addressed in court. Please advise. Thank you.
