IN AND FOR PINELLAS COUNTY, FLORIDA

BEACH ENTERTAINMENT FL LLC

CASE NO.: 24-3782-CI

Plaintiff

vs.

PHILLIP ANDRE ROURKE, JR.

Defendant

/

AFFIDAVIT OF WITNESS LAURIE CRIEGO

COMES NOW the Affiant: Laurie Criegio, who affirms that the following is true and correct, based on personal knowledge, under penalty of perjury and fraud:

1. I am a managing member of Beach Entertainment FL LLC, which provided the funding to produce the feature film “Mother Nature and the Doomsday Prepper”.
2. I am also an Executive Producer and Writer for the project.
3. When Micky Rourke’s agent submitted him via Actor’s Access for the role of “Zeus” I had a meeting with our team and we discussed the great benefit of having an actor of Rourke’s stature on our independent film. I strongly believed this would almost ensure that having an Academy Award Nominee on our cast would enable us to sell our project. William Criegio and I made a personal loan to Beach Entertainment to cover Mr. Rourke’s fees and the added expenses for he and the team that he travels with. They all required first-class airfare and five-star accommodations.
4. I agreed to have the entire shooting schedule reworked, since Mr. Rourke could only commit to our final week.

5. As part of our agreement with Mr. Rourke, an advance of \$25,000 was wired to him on January 24, 2024. His agent, Ian Stack, confirmed receipt of the funds in an eMail that same day. A copy of the bank statement and wire confirmation are attached hereto and incorporated herein as Exhibit “A”.
6. As expected, we did get positive press when we announced that Rourke had signed on to our project. In February 2024 the *Tampa Bay Times* ran an article headlined “Mickey Rourke coming to Tampa Bay to play Zeus.” *FilmTampaBay* also put this on their social media accounts. *The Cinemaholic* ran a great article on their website and social media. A copy of the positive press articles are attached hereto and incorporated herein as Exhibit “B”.
7. Mr. Rourke required many special arrangements that took our team’s time: special hair and makeup needs, pre-approval of his costumes, re-working of costumes to cover his extensive tattoos, shortening of his lines, and training crew on how to use cue cards. Custom costumes were sewn to his specific size.
8. On March 4, 2024, less than 24 hours prior to his scheduled arrival time, the agents for Mr. Rourke notified me that Mr. Rourke would not be able to fulfill his commitment and would not be arriving on set, due to a schedule issue that arose on his then current project. I asked his team if they would give us a chance to present an alternative schedule and they agreed.
9. Our team attempted to accommodate Mr. Rourke, which was difficult since we were in our final week of shooting. We worked late into the

evening and had multiple phone conversations with his team to work out a revised schedule that would allow him to still be part of our project. His team verbally said this would work. I approved hiring our lawyer to draft an Addendum. Upon minutes notice, and late in the evening, our lawyer wrote an addendum to Rourke's contract. I was shocked when his team ultimately rejected the addendum that documented what they had verbally agreed to, just an hour earlier.

10. As a result of Mr. Rourke rejecting the addendum, Mr. Rourke breached his contract with us and we had to halt filming.

11. On March 4 at 9:42 pm is agent, Ian Stack sent an eMail that said :

“Dear Laurie and Cameron,

It is with great regret that I must inform you that Mickey has decided not to sign the addendum. We understand the gravity of this decision and recognize the impact it will have on the production. We sincerely apologize for all the inconvenience and disruption this will cause. It is only right to tell you that you should recast Mickey's role. Furthermore, we acknowledge that Mickey must take responsibility for his actions and accept any financial consequences resulting from this situation.

Once again, we apologize for the inconvenience and disappointment this may cause. Please let us know if there is anything we can do to assist with the transition or if you require any further information.

Best regards,

Ian”

A copy of the e-mail from Mr. Rourke’s agent is attached hereto and incorporated herein as Exhibit “C”.

12. On March 11, I was copied on an eMail to Rourke’s team with instructions on how to wire the return of the \$25,000.

“Good afternoon Ian, We are still calculating the cost to the production of Mickey breaching his agreement. but in the meanwhile, I wanted to get you our wire transfer information for the return of the \$25,000 advance. I would appreciate it if you could let me know when these funds can be returned as we will need them to help cover the cost of the replacement talent.”

All information needed for them to wire the funds was included in this eMail. A copy of said e-mail is attached hereto and incorporated herein as Exhibit “D”.

13. On March 20, 2024 I was copied on an e-mail from our producer, who sent a follow up email asking for a response and a date when the funds would be returned. To date, I have not received a copy of any response to the e-mails. Bill Criego and I have not yet been paid back for any of the funds we advanced. The follow-up e-mail is contained in Exhibit “D” attached hereto and incorporated herein.

14. The out-of-pocket expenses Bill Criego and I have incurred and have not yet received reimbursement for are as follows:

Security Deposit paid on 1/25/24. Refund requested on 3/11/24 and 3/20/24	\$25,000

Published Feb. 14, 2024 | Updated Feb. 14, 2024

ST. PETERSBURG — Mickey Rourke, known for his roles in “9½ Weeks,” “Angel Heart,” “The Wrestler” and “Iron Man II,” will be in Tampa Bay next week to play Zeus in his next movie, “Mother Nature and the Doomsday Prepper.”

In the film, “Mother Nature will lose her job unless she convinces a fanatic doomsday prepper there is hope for the future of the planet,” said Christian Cashmir, who is producing and directing the movie. “She comes to Earth and meets this doomsday prepper who is her total opposite. It’s a romantic comedy mixed with fantasy.”

The 14-day shoot spans Feb. 21 to March 12 and includes six days in Cashmir’s [12,000-square-foot Litewave Studios in St. Petersburg](#), where they will re-create Mount Olympus through sets and [an LED wall that projects virtual worlds](#) during the filming.

“It’s totally immersive,” Cashmir said. “For the actors, it feels like they’re really there.”

The other eight days of filming will occur throughout Tampa Bay — at The Getaway in St. Petersburg, the Pinellas Park Performing Arts Center, the Courtney Campbell Causeway in Tampa and other locales. Tampa Bay will be mentioned throughout the movie to promote the area.

“Some of the scenes were written to specifically showcase our beautiful area,” producer Cameron Brumbelow said.

The movie will also put locals to work, Cashmir said, by hiring 50 crew members and 10 to 15 actors in leading roles, [including St. Petersburg’s Paul Wilson](#).

“To be able to work with the people you trust in your hometown on a project that my kids and maybe one day my grandkids will enjoy is very special,” Wilson said. “It’s a fun movie with a message.”

Paul Guzzo is a former culture reporter.

Mickey Rourke Cast in Mother Nature and the Domsday Prepper

[Harsh Vardhan](#)

February 1, 2024

Mickey Rourke has joined the cast of 'Mother Nature and the Domsday

screenplay written by Laurie Criego. Other cast members include Kate Amundsen, Danae Hays, and Andrew Key.

The film revolves around Mother Nature (Amundsen), who faces a dire predicament — her job is on the line unless she can persuade Zip (Key), a fervent doomsday prepper, that there is a hopeful future for the planet. Since their first meeting, Mother Nature and Zip clash due to their opposing perspectives; he anticipates the worst, while she remains unrealistically hopeful. Despite their differences, a noticeable romantic chemistry develops, leading them to fall in love. However, their burgeoning relationship is abruptly disrupted when Zeus (Rourke)

Rourke, a former boxer turned actor, is a part of the cast of Ciprian Mega's drama movie '21 Rubies.' He appeared in Paul Tully's 'Replica' and played Bill Crush in Roman Polanski's 'The Palace.' The actor plays Tork in James Bamford's upcoming action thriller 'Jade,' which revolves around a woman caught between a powerful businessman and a gang leader, both vying for a hard drive that could jeopardize Interpol's operations. Amundsen is known for portraying Sarah in 'Shameless' and Kelsey in '[Super Pumped](#).' Key's previous credits include Apple TV+'s '[Physical](#)' and NBC's '[Chicago P.D.](#)'

Cashmir's recent directorial venture 'BTS: The Web Series' delves into the challenges faced by a small production studio when their lead actor is arrested for arson, prompting them to brainstorm the next ingenious idea to salvage their film. He also helmed 'Elfette Saves Christmas,' a whimsical narrative in which Elfette takes center stage to rescue Santa Claus from the clutches of the mafia that attempts to usurp Christmas. The filmmaker made his feature directorial debut with 'Jules Dongu Saves the World,' a comedic spoof movie.

Tampa, the principal location of the movie, previously hosted the production of David Yates' '[Pain Hustlers](#)' and Kasi Lemmons' '[Whitney Houston: I Wanna Dance with Somebody](#).'

ADVICE TO INTERNATIONAL PASSENGERS ON LIMITATIONS OF LIABILITY

Passengers embarking upon a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of an international treaty (the Warsaw Convention, the 1999 Montreal Convention, or other treaty), as well as a carrier's own contract of carriage or tariff provisions, may be applicable to their entire journey, including any portion entirely within the countries of departure and destination. The applicable treaty governs and may limit the liability of carriers to passengers for death or personal injury, destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.

Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under an international treaty. For further information please consult your airline or insurance company representative.

- Our policy on [overbooking flights](#), and your rights if we deny you boarding due to an oversold flight.

These terms are incorporated by reference into our contract with you. You may view these conditions of carriage on [delta.com](#), or by requesting a copy from Delta.

ADVICE TO INTERNATIONAL PASSENGERS ON LIMITATIONS OF LIABILITY

Passengers embarking upon a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of an international treaty (the Warsaw Convention, the 1999 Montreal Convention, or other treaty), as well as a carrier's own contract of carriage or tariff provisions, may be applicable to their entire journey, including any portion entirely within the countries of departure and destination. The applicable treaty governs and may limit the

liability of carriers to passengers for death or personal injury, destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.

Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under an international treaty. For further information please consult your airline or insurance company representative.

Conditions of Carriage

Air transportation on Delta and the Delta Connection® carriers is subject to Delta's [conditions of carriage](#). They include terms governing for example:

- [Limits on our liability](#) for personal injury or death of passengers, and for loss, damage or delay of goods and baggage.
- [Claim restrictions](#) including time periods within which you must file a claim or bring action against us.
- Our right to [change terms](#) of the contract.
- [Check-in requirements](#) and other rules established when we may [refuse carriage](#).
- Our rights and limits of our liability for [delay or failure to perform service](#) including schedule change, substitution of alternative air carriers or aircraft, and rerouting.
- Our policy on [overbooking flights](#), and your rights if we deny you boarding due to an oversold flight.

These terms are incorporated by reference into our contract with you. You may view these conditions of carriage on [delta.com](#), or by requesting a copy from Delta.

You have received this email because you elected to receive your Electronic Ticket receipt sent to you via email. If you would like to take advantage of other Delta email programs featuring special fares, promotions, information and flight updates, please visit: [delta.com/emailprograms](#) or [delta.com/notifications](#).

This document establishes the creation of your electronic EMD(S) in our computer systems. It does not constitute a document of carriage. Where this document is issued for transportation or services other than passenger air transportation, specific terms and conditions may apply. These terms and conditions may be provided separately or may be obtained from the issuing agent.

Effective December 15, 2019, the Canada Air Passenger Protection Regulations may provide additional protections to passengers traveling to or from Canada:

If you are denied boarding, your flight is cancelled or delayed for at least two hours, or your baggage is lost or damaged, you may be entitled to certain standards of treatment and compensation under the Air Passenger Protection Regulations. For more information about your passenger rights please contact your air carrier ([www.delta.com/appr](#)) or visit the Canadian Transportation Agency's website.

Si l'embarquement vous est refusé, ou si votre vol est annulé ou retardé d'au moins deux heures ou si vos bagages sont perdus ou endommagés, vous pourriez avoir droit au titre du Règlement sur la protection des passagers aériens, à certains avantages au titre des normes de traitement applicables et à une indemnité. Pour de plus amples renseignements sur vos droits, veuillez communiquer avec votre transporteur aérien (www.delta.com/appr) ou visiter le site Web de l'Office des transports du Canada.

ADVICE TO INTERNATIONAL PASSENGERS ON LIMITATIONS OF LIABILITY

Passengers embarking upon a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of an international treaty (the Warsaw Convention, the 1999 Montreal Convention, or other treaty), as well as a carrier's own contract of carriage or tariff provisions, may be applicable to their entire journey, including any portion entirely within the countries of departure and destination. The applicable treaty governs and may limit the

liability of carriers to passengers for death or personal injury, destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.

Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under an international treaty. For further information please consult your airline or insurance company representative.

Conditions of Carriage

Air transportation on Delta and the Delta Connection® carriers is subject to Delta's [conditions of carriage](#). They include terms governing for example:

- [Limits on our liability](#) for personal injury or death of passengers, and for loss, damage or delay of goods and baggage.
- [Claim restrictions](#) including time periods within which you must file a claim or bring action against us.
- Our right to [change terms](#) of the contract.
- [Check-in requirements](#) and other rules established when we may [refuse carriage](#).
- Our rights and limits of our liability for [delay or failure to perform service](#) including schedule change, substitution of alternative air carriers or aircraft, and rerouting.
- Our policy on [overbooking flights](#), and your rights if we deny you boarding due to an oversold flight.

These terms are incorporated by reference into our contract with you. You may view these conditions of carriage on [delta.com](#), or by requesting a copy from Delta.

You have received this email because you elected to receive your Electronic Ticket receipt sent to you via email. If you would like to take advantage of other Delta email programs featuring special fares, promotions, information and flight updates, please visit: [delta.com/emailprograms](#) or [delta.com/notifications](#).

This document establishes the creation of your electronic EMD(S) in our computer systems. It does not constitute a document of carriage. Where this document is issued for transportation or services other than passenger air transportation, specific terms and conditions may apply. These terms and conditions may be provided separately or may be obtained from the issuing agent.

Effective December 15, 2019, the Canada Air Passenger Protection Regulations may provide additional protections to passengers traveling to or from Canada:

If you are denied boarding, your flight is cancelled or delayed for at least two hours, or your baggage is lost or damaged, you may be entitled to certain standards of treatment and compensation under the Air Passenger Protection Regulations. For more information about your passenger rights please contact your air carrier ([www.delta.com/appr](#)) or visit the Canadian Transportation Agency's website.
