For reasons which will become apparent, I need to stay anonymous. It has come to my attention that you are on lists which will be used by the incoming administration. You should not be surprised, given your activities and posting history. Remember your Gaetz/Boebert/Luna posting? It was noted. Remember your Putin posts? Remember your video at the Russian embassy? All of that was noted. It is unclear what exactly these lists will be used for, but it can't be good. I suspect it will be for arrest or detainment. Perhaps expulsion. Perhaps worse. If you have the ability, you need to leave. There is a movement to expat to [REDACTED] and regroup there. Consider that. I strongly urge you to go silent. No more political posts. No more calling the police. No more political rallies. No more lawsuits. No more political musical performances. If you do these things, you will be found and taken. I am sure of this. They are trying to simplify the chess board by removing pieces. You are a piece that is easy to remove and no one will notice, will they? Keep yourself safe by taking action today. These are dark days and darker days are ahead. No one can help you if you won't help yourself first. You won't get any further communications as long as you are in the US. We will find you, should you expatriate. Good luck, Patriot.
